#### 9 p.m. on AMC The Walking Dead: Origins

This new limited series, which originally was shown on the streaming service AMC Plus, explores the journey of some of the most celebrated characters on "The Walking Dead," with each episode charting the story of the zombie apocalypse from the perspective of a single character. Interviews with the actors are interwoven with clips from pivotal moments in the series. The premiere, "Daryl's Story," chronicles the epic saga of Daryl Dixon, as told by Norman Reedus, the actor who became an instant fan favorite through his performance in the role.
