HOROSCOPES by Stella Wilder SUNDAY, JANUARY 30, 2022 YOUR BIRTHDAY by Stella Wilder BORN today, you are perhaps the most resilient and tenacious of individuals born under your sign -- or any sign, for that matter -- and you never allow yourself to shrink in the face of any sort of obstacle, be it intellectual, emotional or physical. During your youth, you may have taken for granted your many abilities, but later in life you will know enough not to squander them away, but rather to keep your reserves of energy and skill full and at the ready at all times. MONDAY, JANUARY 31, 2022 YOUR BIRTHDAY by Stella Wilder BORN today, you are likely to spend the greater portion of the first half of your life devising ways to make imagination itself your primary professional tool, and developing projects that allow you to turn flights of fancy into professional gains. You were not born to do things the "normal" way, and the thought of being "ordinary" is anathema to you; you will resist, tooth and nail, any attempt of restriction based on widely accepted rules, regulations and expectations. TUESDAY, FEBRUARY 1 AQUARIUS (Jan. 20-Feb. 18) -- You can possibly get things done much more quickly today than you are used to -- so what will you do with all the extra time you have? PISCES (Feb. 19-March 20) -- You're likely to answer a certain question in a most unusual way -- but that doesn't mean your answer is wrong, necessarily. Explain clearly!
