tonight s best

Julie Chen Moonves

8 p.m. on CBS
Big Brother: Celebrity Edition

Julie Chen Moonves returns as host for this third round of its celebrity-driven edition, of one of the network's biggest reality show hits. This season's three-week run comprises 15 episodes (two more than Seasons 1 and 2), culminating in a finale on Wednesday, Feb. 23. Among this season's featured Houseguests are singer-songwriters Ne-Yo and Todrick Hall, fitness expert Jillian Michaels, former Trump White House communications director Hope Hicks, drag personality Shangela, former pro basketball star Lamar Odom and celebrity chef Curtis Stone.

8:30 p.m. on ABC
The Wonder Years

Dean's (Elisha Williams) plans to ask Keisa (Milan Ray) to "The Valentine's Day Dance" (also the title of this new episode) are foiled when another boy asks her out first, after a new makeover transforms her into the talk of the school. Meanwhile, recognizing that Kim's (Laura Kariuki) college application is soft on extracurricular activities, Bill and Linda (Dulé Hill, Saycon Sengbloh) make their daughter sign up for a Big Sister program.

9 p.m. on NGE0
Trafficked With Mariana van Zeller

Although most Americans probably don't realize it, as much as 30 percent of the seafood consumed in the United States has been caught by illegal means. In the new episode "Fish Pirates," host Mariana van Zeller goes inside the global manhunt for the shady individuals who make billions by flouting regulations and plundering the world's seas, destroying the oceanic environment in the process. Her journey takes her from the ports of Boston and Spain to the West Coast of Africa.

10 p.m. on CBS
Good Sam

When a patient with a serious gunshot wound is wheeled into the emergency room, it triggers a series of flashbacks to the moments immediately before Griff's (Jason Isaacs) own shooting, and the six months after that near-fatal incident, in the new episode "Wake Up." As the drama unfolds, it sheds new light on how the violent attack affected the people Griff effectively left behind during his extended period in a coma. Sophia Bush, Michael Stahl-David, Skye P. Marshall and Sendhil Ramamurthy also star.
