**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are destined to be at the top of the heap, either personally or professionally -- or, at least in your own mind, both! Like so many Aquarius natives, you have been endowed with many native abilities, though only one or two may be truly useful to you as you pursue professional success. Others, however, are enough to make you interested in all kinds of things.

**MONDAY, FEBRUARY 7**  
**AQUARIUS (Jan. 20-Feb. 18)** -- What you find today in the unexplored recesses of your room, office or car may be just the thing you need to brighten your spirits.

**PISCES (Feb. 19-March 20)** -- You may have to interpret certain signs very carefully today before you will know what to do in response to them. You learn something new.

**ARIES (March 21-April 19)** -- Just when you think it's safe to go back to your old ways, you'll be reminded today that a recent change requires you to be cautious still.

**TAURUS (April 20-May 20)** -- You'll be excited to complete an important part of a long-term project, but you mustn't think it's time for a rest just yet. Keep going!

**GEMINI (May 21-June 20)** -- You may not be able to find the time to head off on a restorative journey on your own today, but you know how to relax and stay focused on work.

**CANCER (June 21-July 22)** -- Something sneaks up on you that requires an immediate response -- and you'll surely have one, though it may not be altogether intended!

**LEO (July 23-Aug. 22)** -- You may have to shop around today before you find exactly what you're looking for -- and it's more than a matter of taste or finances at work.

**VIRGO (Aug. 23-Sept. 22)** -- Cast your mind back to another time and place; you'll appreciate all over again the things that happened to make you who you are today.

**LIBRA (Sept. 23-Oct. 22)** -- You may not enjoy all that happens to you today, but you'll certainly appreciate the fact that you are still "in the game" -- and doing well!

**SCORPIO (Oct. 23-Nov. 21)** -- You can enjoy a relaxed and even contemplative day, but there is a certain issue you must deal with directly before your time is your own.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You have a sense that something big is just beginning, so what do you have to do today to put yourself in the right place at the right time?

**CAPRICORN (Dec. 22-Jan. 19)** -- Some things simply cannot be done as planned today, but you're quite adept at adjusting to the unforeseen -- and you'll do so today.

**TAURUS (April 20-May 20)** -- It's important that you devise a strategy you can stick to even when met with challenges or setbacks. You must stay the course today!

**GEMINI (May 21-June 20)** -- The fault you find in a certain plan needn't cost you anything, provided you're able to recognize it and extract it very quickly today.

**CANCER (June 21-July 22)** -- The more you trust yourself and your inner nature today, the further you'll get -- especially when dealing with those of greater stature.

**LEO (July 23-Aug. 22)** -- You are eager to shed light on a certain situation that others seem very happy to overlook or ignore outright. You needn't follow their lead!

**VIRGO (Aug. 23-Sept. 22)** -- It's important you put things simply and directly today,

or your most vital messages may not "land." Say what you have to say!

**LIBRA (Sept. 23-Oct. 22)** -- You may be in the mood to hide yourself away -- especially from those who are eager to involve you in something that might not be legitimate.

**SCORPIO (Oct. 23-Nov. 21)** -- Others have left it up to you -- again -- to deliver news to someone that is not likely to be taken well. After this, you needn't do it anymore.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Take care that the decisions you make today do not put you in conflict with another. If you're in the line of fire, you'll get hurt!

**CAPRICORN (Dec. 22-Jan. 19)** -- "Always" and "never" are two words you should avoid today -- but if you don't, you'll surely receive reminders about how misleading they are.

**TAURUS (April 20-May 20)** -- Psychological patterns make themselves known to you today in ways they haven't in the past. Much becomes clear that was cloudy yesterday.

**TAURUS (April 20-May 20)** -- It's important that you devise a strategy you can stick to even when met with challenges or setbacks. You must stay the course today!

**GEMINI (May 21-June 20)** -- The fault you find in a certain plan needn't cost you anything, provided you're able to recognize it and extract it very quickly today.
