Jeopardy! National College Championship

Mayim Bialik hosts this brand-new primetime tournament, in which competitors from 15 colleges and universities across the United States go head to head for two weeks of intense competition as they try to correctly answer questions on a variety of topics — or rather, given this game show's distinctive format, provide questions to go with the answers the game gives them. Each of the winning contestants receives a grand prize of \$100,000.
