## Chloe Kim

## 5 p.m. on NBC 2022 Winter Olympics

Tonight in Beijing, all eyes will be on American snowboarder Chloe Kim to see if she can successfully defend her 2018 gold medal in the women's halfpipe. Four years ago in PyeongChang, Kim scored a nearperfect 98.25 out of 100 and at 17 became the youngest snowboarder to top a podium at the Olympics. She's also the reigning World and X Games champion in the halfpipe. One who could challenge her is 17-year-old prodigy ONO Mitsuki of Japan.

### 6 p.m. on TRAV Ghost Adventures

In the new episode "Demons Walk the Halls," the team heads to Lake Arrowhead, Calif., to investigate two buildings that are reported to be plagued with demonic activity. During the course of their exploration, they uncover a secret tunnel that may lead them to some answers. Later, the gang returns to Las Vegas to investigate the Riviera Hotel and Casino, which is scheduled for demolition. The now-abandoned corridors and rooms provide an unexpectedly eerie backdrop.

### 9 p.m. on FOX Next Level Chef

Host Gordon Ramsay and co-mentors Richard Blais and Nyesha Arrington challenge their teams to create a pork dish in the new episode "When Pigs Fly." Then a bombshell drops as team immunity is eliminated as the competition moves forward. Based on their past performance, each chef is assigned to a kitchen where he or she must demonstrate excellence and consistency no matter the environment or the odds stacked against them. At the end of the episode, the best dish saves only one chef, with all the others vulnerable to being sent home.

#### 9 p.m. on FOOD Worst Cooks in America

In the new episode "The Good, the Bad and the Burnt," chefs and mentors Anne Burrell and Cliff Crooks introduce their recruits to cowboy cuisine, Southwestern flavors and ingredients, and teach them how to make eggs Benedict. After that crash course, the recruits then tackle chile rellenos, a classic Tex-Mex dish bursting with regional colors and flavors.
