HOROSCOPES by Stella Wilder
WEDNESDAY, FEBRUARY 9, 2022 YOUR BIRTHDAY by Stella Wilder
Born today, you are perhaps the most colorful individual born under your sign, possessed of many talents, composed of many facets and of a sort that attracts both admiration and criticism in equal measure. You never really take either very seriously, however, for you realize that whether or not people like you has less to do with you than it does with them! And in your case, this is very true. THURSDAY, FEBRUARY 10 AQUARIUS (Jan. 20-Feb. 18) -- No matter how well-meaning you are, there are certain things that you're not going to get right today -- but corrections can be swift. PISCES (Feb. 19-March 20) -- It may be time to call in some help if you really want to deal with a problematic situation that doesn't seem to be going anywhere soon. ARIES (March 21-April 19) -- You're on the verge of an important realization, but you may still make one or two errors of judgment as the pieces finally fall into place. TAURUS (April 20-May 20) -- You know what's important, and you know why, but you may have trouble getting others to agree with you -- until someone else backs you up. GEMINI (May 21-June 20) -- You may not be able to drop everything and run to a friend's side today, but with a little warning, you can provide what's needed very soon. CANCER (June 21-July 22) -- You are likely to receive a warning today that you'll surely want to heed -- but take care you don't alarm others as you change your plans. LEO (July 23-Aug. 22) -- What you've been waiting for is almost here, but you have some work to do before you can consider yourself "ready" for its arrival. Get it done! VIRGO (Aug. 23-Sept. 22) -- You may have to navigate some mood swings today, but it's likely you're going through something that is familiar and will pass quickly. LIBRA (Sept. 23-Oct. 22) -- You'll decide something is worth the effort today, even though just yesterday you considered it too costly. What's changed? SCORPIO (Oct. 23-Nov. 21) -- You may have decided things cannot be "patched up" between you and an old friend, but the evidence today likely tells you otherwise. SAGITTARIUS (Nov. 22-Dec. 21) -- You'll learn more than one timely lesson today from someone who does things in a manner that is highly irregular -- but you like it that way! CAPRICORN (Dec. 22-Jan. 19) -- You can make guarantees to friends all you want today, but it may not be entirely up to you whether what you've promised is possible.
