tonight's best

Ken Jennings

9 p.m. on ABC
The Chase

Season 2 of this fast-paced game show wraps up with two back-to-back episodes. First, James "The Highroller" Holzhauer returns as the Chaser for an episode called "There Is a Time and a Place for a Hawaiian Shirt," in which he tries to beat three contestants in a race against the clock. In the finale that immediately follows, "This Is My Chair of Disappointment," Ken "The Professor" Jennings takes center stage as the last Chaser of the season.

9 p.m. on PBS
NOVA

A fascinating new episode called "Great Mammoth Mystery" chronicles how amateur paleontologists and fossil collectors Neville and Sally Hollingworth were pursuing their hobby to stave off pandemic lockdown boredom when they discovered a site in southwest England that preserved traces of extinct beasts that populated Britain more than 200,000 years ago. David Attenborough is the host.

9 p.m. on HIST
Modern Marvels

This iconic docuseries opens Season 21 with two new back-to-back episodes celebrating the technology that has helped shape our lives. First, "Wild Rides" puts viewers behind the wheel of some of the biggest, fastest and most powerful machines on the planet, from battle tanks to blimps, and from harvesters to helicopters. Then, "Steam Power" explores one of the oldest means of locomotion. TV host Jay Leno owns steam cars, but carousels, boats and even some skyscrapers likewise use steam as their "fuel."

9 p.m. on ID
The Murder Tapes

This true-crime docuseries, which follows a real-life murder investigation as it is being conducted in real time, returns for Season 5 with a premiere called "Blunt Force Trauma." The case involves a woman of faith, Susan Hernandez, who is the last person police would expect to find murdered in her own basement. Searching for suspects, detectives turn over every stone in the hunt for Susan's killer, with a result that shakes their town to its very core.
