tonight s best

Alison Sweeney

7 p.m. on TRAV  
Kindred Spirits

The caretaker of an abandoned structure that once housed an insane asylum in Wisconsin summons Amy Bruni, Adam Berry and Chip Coffey to investigate some deeply troubling developments on the property in the new episode "Death Interrupted." Recent renovation work on the site seems to have awakened a previously dormant spectral presence that, to make matters worse, is making the building's resident spirits feel unusually restless.

8 p.m. on HALL  
Movie: The Wedding Veil Legacy

A romantic trilogy that originally premiered in January concludes tonight in this third installment starring Alison Sweeney as Tracy, the last of three friends to take possession of an antique wedding veil the trio purchased together. Just as she is becoming cynical about the legend attached to this item, which is said to lead its owner to true love, Tracy meets Nick (Victor Webster), who helps her save an original draft of "The New Colossus," the Emma Lazarus poem that appears in the Statue of Liberty.

8 p.m. on HBO  
Movie: The King's Man

The third installment in the "Kingsman" movie franchise and a prequel to the two earlier films, Matthew Vaughn's 2021 spy action comedy underperformed at the box office, mainly due to pandemic-related issues. It still delivers an entertaining yarn about how the Kingsman organization was born during the turmoil of World War I. Ralph Fiennes heads the stellar cast as Orlando, Duke of Oxford and founder of the spy network, with Tom Hollander ("The Night Manager") pulling triple duty in multiple roles. Gemma Arterton, Rhys Ifans, Matthew Goode and Daniel Bruhl co-star.

8:10 p.m. on USA  
2022 Winter Olympics

All eyes will be on men's hockey tonight in Beijing, which wraps up competition in these Olympics with the gold medal game. Four years ago in PyeongChang, the OAR (Olympic Athletes From Russia) topped the podium with its 4-3 victory in the final over Germany, which took home its first-ever silver in the sport.
