**HOROSCOPES** by Stella Wilder

WEDNESDAY, FEBRUARY 16, 2022  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are perhaps the most mysterious individual born under your sign -- not because of anything dark or sinister in your nature, but because you are so complex that you are known for defying the expectations of those around you again and again. Indeed, you can change course very quickly, making a dramatic about-face and embracing that which you had eschewed even moments before, and you can do so with complete confidence in your ability to embrace anything that suits your mood, your state of mind or your ever-evolving tastes.  
THURSDAY, FEBRUARY 17  
AQUARIUS (Jan. 20-Feb. 18) -- Though admired for some recent decisions, you are certainly not infallible, and today you'll be challenged to make the right call.  
PISCES (Feb. 19-March 20) -- You can be much more daring today than you've been in the past, and the results can put you in a posi-

tion that affords you much freedom.  
ARIES (March 21-April 19) -- Though another's reporting may set you on a course of discovery, it's your own investigation that will uncover the whole truth you seek.  
TAURUS (April 20-May 20) -- You are growing tired of depending on someone who is, in essence, ineffectual. It's time for you to step up and offer a dramatic alternative.  
GEMINI (May 21-June 20) -- The usual restrictions are not likely to be imposed upon you today, but you mustn't be so surprised that you're unable to take swift action.  
CANCER (June 21-July 22) -- Your expectations may not be fulfilled entirely today, but neither should they be dashed to pieces. You can arrive at a workable compromise.  
LEO (July 23-Aug. 22) -- It may be more difficult than expected today to persuade others that you are in the right -- though virtually all solid evidence supports your claim.  
VIRGO (Aug. 23-Sept. 22) -- Your memory may not be wholly reliable today, so you must be prepared to lean on one or two friends who were with you when it mattered.  
LIBRA (Sept. 23-Oct. 22) -- Trust your own instincts today as you make your way into unfamiliar territory. The stories others tell cannot be completely trusted right now.  
SCORPIO (Oct. 23-Nov. 21) -- You may be baffled by someone's behavior today until you realize that they've taken a leaf out of your own book. Have some fun!  
SAGITTARIUS (Nov. 22-Dec. 21) -- There are those who will steer clear of you, no matter what others say about you, and you certainly needn't pay them any mind today.  
CAPRICORN (Dec. 22-Jan. 19) -- A shadow may hang over a recent decision you made, and today you'll have the chance to do things over and right a wrong you made unintentionally.
