**HOROSCOPES** by Stella Wilder

TUESDAY, FEBRUARY 22, 2022  
YOUR BIRTHDAY by Stella Wilder

Born today, you are usually quite private, and unlike those born just a day before, you are far more capable of controlling your emotions -- and, indeed, there may actually be times in which even those who know you best are left to wonder what you may be thinking or feeling about any given circumstances. You have been blessed with a very effective "poker face," and whether you are elated or despondent, you keep any and all signs of your emotional state to yourself.

WEDNESDAY, FEBRUARY 23  
PISCES (Feb. 19-March 20) -- You'll want to stay squarely in your comfort zone today, but you can explore one or two unusual options without risking anything at all.

ARIES (March 21-April 19) -- You cannot claim ignorance when you run into trouble because you didn't follow the rules. Think back, and you'll remember you were informed.

TAURUS (April 20-May 20) -- Others have refused to go where you are sorely tempted to go on your own. Is this a wise decision? You'll only know that after you make it!

GEMINI (May 21-June 20) -- Doing certain things your own way may be the cause of a run-in with the authorities today. This is a time to do things by the book if you can.

CANCER (June 21-July 22) -- Others may be looking to you for the kind of guidance that you, too, feel that you need. Someone must make a move, however -- and that's you!

LEO (July 23-Aug. 22) -- The approval you seek may be slow in coming today, and that will set you back considerably if you don't keep up your current efforts.

VIRGO (Aug. 23-Sept. 22) -- You've taken quite a risk recently, and it's time for you to assess what you've gained as a result. You may choose to reverse course.

LIBRA (Sept. 23-Oct. 22) -- Just as you look at other people's work with a critical eye, so you must look at your own the same way. Be honest about what you have done!

SCORPIO (Oct. 23-Nov. 21) -- You can get only so far on a smile today; at some point you're going to have to prove yourself by doing that which you've said you will do.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may discover that you've been doing something all wrong lately, but fortunately you have plenty of time to start over again.

CAPRICORN (Dec. 22-Jan. 19) -- You may be drawn to something today because you know little about it -- but take care that you're not mindlessly walking into danger.

AQUARIUS (Jan. 20-Feb. 18) -- You may be skeptical about what someone is trying to accomplish, and yet you're trying to do something that is just as questionable.
