8 p.m. on LIFE Movie: Stolen by Their Father

Adapted from Lizbeth Meredith's memoir "Pieces of Me: Rescuing My Kidnapped Daughters," this new docudrama stars Sarah Drew ("Grey's Anatomy") as Meredith, who reluctantly allows her two young daughters to spend a non-custodial visit with their father (Kimonas Kouris). A few days later, she discovers her abusive ex-husband has kidnapped the girls and spirited them away to Greece. Lizbeth spends the next two years desperately searching for her daughters, despite dire threats from her ex.

8 p.m. on HBO Movie: F9 The Fast Saga

"Fast & Furious" action franchise veteran Justin Lin returned to the helm of this 2021 installment, which he also co-wrote with Daniel Casey. The story finds Vin Diesel reprising his familiar role as former criminal turned street racer Dominic Toretto, who comes out of retirement to stop a nefarious plot with grave global implications that is headed by Dom's younger brother Jakob (John Cena). Jordana Brewster, Michelle Rodriguez, Lucas Black, Helen Mirren and Charlize Theron also return in their roles from earlier "Fast" films.

9 p.m. on CW World's Funniest Animals

Host Elizabeth Stanton welcomes actor Jayson Blair ("Good Trouble") as her special guest for a new episode that features clips of such animals as perplexed penguins, outlandish owls, leering lizards, a Husky who enjoys playing hide-and-seek and another dog who has made a new playmate out of the neighbor on the other side of a fence.

9 p.m. on SHOW Movie: The Djinn

Co-directors and -screenwriters
David Charbonier and Justin Powell
received enthusiastic reviews for
their 2021 supernatural horror film,
which was praised for achieving a
creepy atmosphere and some thoroughly unnerving moments, despite
its limited budget. Young actor Ezra
Dewey also earned warm reviews
for his performance in the lead role
of Dylan Jacobs, a mute boy who
attempts to summon a malevolent
spirit known as a Djinn. Predictably,
things go horribly wrong. Rob Brownstein, Tevy Poe and John Erickson
also star.
