HOROSCOPES by Stella Wilder

WEDNESDAY, MARCH 2, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you seem to many to have been born in another time and transplanted to the here and now -- but the big question, of course, is which other time? There is much about you that seems old-fashioned, and you do indeed look back at the way things were and the things people did for inspiration, and you learn a great deal from the past. On the other hand, you are always forward-thinking and eager to embrace the future -- so there is much that you will try to do in your life that has never been tried before. You are an adventurer.

THURSDAY, MARCH 3
PISCES (Feb. 19-March 20) -- A surprise comes your way in a strange guise, but what matters most is what lies beneath the surface. It may take time to get to the truth.

ARIES (March 21-April 19) -- You'll want to follow a clear arc today as you attempt to make of disparate elements an integrated whole. By all means, be organized!

TAURUS (April 20-May 20) -- You must be willing to recognize another's efforts today, especially since they will do so much to further your own. Why not collaborate?

GEMINI (May 21-June 20) -- You mustn't insist on doing things your own way today; there is much you can learn from the way someone else does them, especially under pressure.

CANCER (June 21-July 22) -- The dangers you face today are relatively minor, but you suspect that one or two will give way to some that are more serious -- and perhaps soon.

LEO (July 23-Aug. 22) -- Now is not the time to make changes to your game plan; you must be willing to do what you've said you'll do, come what may. Don't vacillate!

VIRGO (Aug. 23-Sept. 22) -- Your ability to remain steady and consistent when under pressure can win the day -- provided you don't think the contest is over before it!

LIBRA (Sept. 23-Oct. 22) -- You will have a good deal of fun today leading others somewhat astray and wondering what you will do next. Don't play this game for too long.

SCORPIO (Oct. 23-Nov. 21) -- A natural progression allows you to get to your destination, but if you try to do things out of order or force things, you'll be disappointed.

SAGITTARIUS (Nov. 22-Dec. 21) -- You are not so much "in charge" at this time as "under orders," and you must get used to it if you're going to come out on top today.

CAPRICORN (Dec. 22-Jan. 19) -- A rival challenges you to an unusual contest today, but you're ready to do whatever you have to do to put any negative rumors to rest.

AQUARIUS (Jan. 20-Feb. 18) -- A mistake made yesterday causes a slowdown today, but you can get back on track quickly by recognizing just what exactly is out of place.

UNITED STATES OF AMERICA FEDERAL ENERGY REGULATORY COMMISSION

Idaho Power Company Project No. 1971-134

NOTICE OF INTENT TO PREPARE AN ENVIRONMENTAL ASSESSMENT
(February 23, 2022)

On October 8, 2021, Idaho Power Company filed an application to amend the license for the Hells Canyon Hydroelectric Project No. 1971 (FERC No. 1971). The Hells Canyon Project is located on the Snake River in Adams and Washington counties, Idaho and in Wallowa, Malheur, and Baker counties, Oregon. The project occupies federal lands administered by the U.S. Forest Service and the Bureau of Land Management (Payette and Wallowa Whitman National Forests and Hells Canyon National Recreational Area).

In accordance with the Commission's regulations, on November 4, 2021, Commission staff issued a notice that the application was accepted for filing and solicited comments, motions to intervene and protests. Based on the information in the record, including comments filed on the notice, staff does not anticipate that amending the project would constitute a major federal action significantly affecting the quality of the human environment. Therefore, staff intends to prepare an Environmental Assessment (EA) on the application to amend the Hells Canyon Project.

The EA will be issued and circulated for review by all interested parties.

Any questions regarding this notice may be directed to Jennifer Polardino at (202) 502-6437 or jennifer.polardino@ferc.gov.
