HOROSCOPES by Stella Wilder

THURSDAY, MARCH 3, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are far more capable of satisfying yourself than you sometimes think, but that is not the result of either your being difficult to please or of some inability to do the things that would please you. On the contrary, you are perfectly aware of when you have done something satisfying, but the fact is that your standards are so high that even at your most accomplished, you want to be accomplishing more -- and therein your habitual dissatisfaction lies.

FRIDAY, MARCH 4
PISCES (Feb. 19-March 20) -- Once you know precisely who's who and what's what, you'll be able to act -- but not before. The dangers involved may hold you in check.
ARIES (March 21-April 19) -- What another tells you today may mean little at first, but later you'll realize you've been given a gift -- and then you'll run with it!

TAURUS (April 20-May 20) -- You're not willing to stay put when others are running around all over the place today. Get out there! You want to be part of the action!
GEMINI (May 21-June 20) -- A first try today is likely to fall short, but your second or third will hit the mark -- and then very soon, you'll have much to boast about.
CANCER (June 21-July 22) -- You're not sure that someone's predictions have taken all possibilities into account -- but do you know better what will happen?
LEO (July 23-Aug. 22) -- You may find yourself gravitating toward a new group of people who attract you with both ambition and know-how. You'll surely fit in.
VIRGO (Aug. 23-Sept. 22) -- Focus on making your money go further. You'll have what you need at day's end to do what you've long looked forward to doing with a friend.
LIBRA (Sept. 23-Oct. 22) -- You may be caught between two extremes that both attract and repel you. You must answer this question: What do you most want right now?
SCORPIO (Oct. 23-Nov. 21) -- Your emotions must not be allowed to get in your way today as you navigate a situation that would be too much for other people you know.
SAGITTARIUS (Nov. 22-Dec. 21) -- The assistance you expected is not likely to appear today -- at least not at the time you most need it. You'll have to improvise.
CAPRICORN (Dec. 22-Jan. 19) -- Your priorities are all in order and you're ready to do things as you've planned them -- for the most part. One adjustment may be required.
AQUARIUS (Jan. 20-Feb. 18) -- You must be willing to be frank with someone today if you're going to get past a stubborn issue. It's time at long last to speak the truth.
