HOROSCOPES by Stella Wilder

SUNDAY, MARCH 20, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are very much the product of your own heritage, heredity, time and community, and each of these influences will affect certain aspects of your life more than any other, in turn, in a way that you are able to study -- almost as if you were studying someone else, and not yourself. This will give you a tremendous advantage as far as self-awareness goes, for you always seem to know who you are, what you are doing and why.

MONDAY, MARCH 21
ARIES (March 21-April 19) -- You're going to want to speak your mind, but it's also essential that you say precisely what you mean at all times. Deceive no one!
TAURUS (April 20-May 20) -- Assistance comes to you in an unusual form, and you may not even realize that it's helpful until you've actually reached your destination.

TUESDAY, MARCH 22
ARIES (March 21-April 19) -- A little wandering can do you a world of good today; you don't always have to know exactly where you're heading to get where you're going!
TAURUS (April 20-May 20) -- An experience you've been looking forward to takes a strange turn today, but that doesn't mean you won't enjoy yourself -- but pay attention!
GEMINI (May 21-June 20) -- Someone

GEMINI (May 21-June 20) -- You'll have your work cut out for you today when options are thrown at you left and right and you are expected to make a decision too quickly.
CANCER (June 21-July 22) -- A rivalry heats up today with someone who has challenged you in the past. You may have a narrow advantage, but don't take it for granted!
LEO (July 23-Aug. 22) -- Leaving something undone today in order to do something else isn't the way to win friends or influence people. Take care of business diligently.
VIRGO (Aug. 23-Sept. 22) -- Solitary activities are likely to call to you far more than collaborations -- though in at least one instance you must cooperate with another.
LIBRA (Sept. 23-Oct. 22) -- You may find it difficult to concentrate on that which has been assigned to you, while something else pulls at you almost irresistibly.
SCORPIO (Oct. 23-Nov. 21) -- You must

knocks you off balance today, but you can recover quickly. Seek a way out of a situation in which you've grown tired -- and act fast!
CANCER (June 21-July 22) -- What you have to share with someone may not translate well into everyday language, but with a little effort, you can get your point across.
LEO (July 23-Aug. 22) -- Your positive attitude does much to empower others today. Your desires may be shared by many near you, but you can still claim to be "special."
VIRGO (Aug. 23-Sept. 22) -- Despite being determined to avoid conflict, today you may have to engage in a one-on-one fight in which your very reputation is at stake.
LIBRA (Sept. 23-Oct. 22) -- Now is not the time to go any faster than you've gone in the past. A conservative approach can serve you quite well at this time.
SCORPIO (Oct. 23-Nov. 21) -- You've been saving up for something that is soon going to be available to you, but take care that

make room not only in your schedule but in your heart and mind for someone whose needs perhaps transcend your own right now.
SAGITTARIUS (Nov. 22-Dec. 21) -- Time can prove to be either an ally or an enemy today, and it all depends upon how you take your first few steps. Give yourself a chance!
CAPRICORN (Dec. 22-Jan. 19) -- You may suspect someone of doing a thing that goes against much that you believe in, but now is not the time to cause a fuss.
AQUARIUS (Jan. 20-Feb. 18) -- Get the facts today before reacting to what you hear through the grapevine. It could be that someone is trying to control you in some way.
PISCES (Feb. 19-March 20) -- You can think of many ways to wrest the advantage from someone who has been in first place for some time -- but you mustn't follow through.

you don't overlook a temporary bargain.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may not know what someone has been trying to tell you until you're immersed in a situation that challenges you in a new way.
CAPRICORN (Dec. 22-Jan. 19) -- It's good of you to think of another while you're in the thick of things, but you're going to have to put yourself first for a while.
AQUARIUS (Jan. 20-Feb. 18) -- Someone with whom you have been assigned to work may rub you the wrong way -- but a more lighthearted approach allows you to avoid conflict.
PISCES (Feb. 19-March 20) -- You are tempted to accept an unusual offer from someone who is not known for reaching out. You must find out why you're the "chosen" one.
