HOROSCOPES by Stella Wilder

TUESDAY, MARCH 22, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you enjoy taking a stab at things whenever opportunity presents itself, and you do not burden yourself with the need to succeed at everything you try. You know perfectly well that because you're likely to try many, many things throughout your lifetime, you're going to experience perhaps more than one's usual share of failure or disappointment, but that's not something that gets you down.

WEDNESDAY, MARCH 23
ARIES (March 21-April 19) -- Putting your best foot forward today may not be as easy as usual -- but with some forethought, you'll present yourself in the best light.

TAURUS (April 20-May 20) -- You mustn't let unfamiliar surroundings slow you down today. Keep moving, and trust that you'll know what to do when danger approaches.

GEMINI (May 21-June 20) -- You're going to have to take a few detours today before you finally get to your destination, but the trip may be full of discoveries.

CANCER (June 21-July 22) -- If you're not ready to face an opponent, you must not enter the contest. Today, much depends on your ability to assess yourself realistically.

LEO (July 23-Aug. 22) -- You can minimize risks today -- but only for so long. Eventually, you're going to have to face the one you've been avoiding more than any other.

VIRGO (Aug. 23-Sept. 22) -- There is no call for you to be a daredevil today -- or tomorrow. See what lies ahead, assess the dangers and alter your approach accordingly.

LIBRA (Sept. 23-Oct. 22) -- You must do all you can to increase your own security today -- physically and financially. Most home expenditures are surely worth it.

SCORPIO (Oct. 23-Nov. 21) -- What someone does may get you hot under the collar today, but now is not the time to express such feelings. You'll recover quickly.

SAGITTARIUS (Nov. 22-Dec. 21) -- You are after something that has proved quite elusive, but today you are closer than you've been before. Timing is a key factor.

CAPRICORN (Dec. 22-Jan. 19) -- You must consider a friend's offer carefully before dismissing it. There's something to be said for collaborating in such a way.

AQUARIUS (Jan. 20-Feb. 18) -- Try as you might, you are having difficulty getting someone to invest in one of your new ideas. You may have to go through official channels.

PISCES (Feb. 19-March 20) -- One or two small steps will be all it takes today to start something big -- but you can't expect to get results too soon. Things must ripen.
