

THANK YOU
for the **LIVES** you touch!

We appreciate you
SO VERY MUCH

You could have gone anywhere. But you didn't.

*You made the choice to practice here with us in the wilds
of Northeast Oregon.*

*You made the choice to become part of an amazing team of
caregivers because you didn't want to just build a practice.*

You wanted to build relationships. And you have.

Rural medicine is not for the faint of heart.

But then, you know that. Because neither are you.

HAPPY DOCTOR'S DAY!
