HOROSCOPES by Stella Wilder

SATURDAY, APRIL 2, 2022
YOUR BIRTHDAY by Stella Wilder
 Born today, you are nothing if not tenacious, and you are the kind of person to return again and again to something that may not have worked out the first time and work on it until finally, at long last, you are able to do it at least with some level of proficiency and to your own personal satisfaction. You don't really care what others think of you -- though you are always thinking of others and your relationships to them.
SUNDAY, APRIL 3
ARIES (March 21-April 19) -- An unusual limitation may be imposed upon you today, but you can work with it in such a fashion that productivity is affected little -- if at all.
TAURUS (April 20-May 20) -- A show of strength may be required of you today before someone gives you "permission" to do something that's required of you anyway.
GEMINI (May 21-June 20) -- You can feign ignorance all you want, but others are already aware of just how much more you actually know than you are willing to reveal.
CANCER (June 21-July 22) -- You may be tempted to place a long-shot bet today, but take care that you're not misinterpreting what is only partially revealed to you.
LEO (July 23-Aug. 22) -- Your chance to improve things will come and go today, and you may miss it if you're not alert to the signs that are visible to you along the way.
VIRGO (Aug. 23-Sept. 22) -- You are eager to jump in and do all you can to assist someone, but you must make it clear that you're not going to give it away!
LIBRA (Sept. 23-Oct. 22) -- You have more going for you at this time than you may think, and today something will be revealed to you that can surely alter your perspective.
SCORPIO (Oct. 23-Nov. 21) -- It's time for you to join others in a group effort that is long overdue. There's no real reason for you to be resistant any longer, certainly.
SAGITTARIUS (Nov. 22-Dec. 21) -- You can follow someone's instructions only so far today, then you must set them aside and listen to what experience tells you.
CAPRICORN (Dec. 22-Jan. 19) -- You can do someone a favor today, but first you must clear the air of an issue that has lingered between you for too long. It's over now!
AQUARIUS (Jan. 20-Feb. 18) -- Your plans may have to be combined with someone else's today in order to make the most out of both. Something new and exciting soon begins.
PISCES (Feb. 19-March 20) -- You may be surprised by someone's willingness to step forward and take the heat today. You were responsible, so show your gratitude.
