**HOROSCOPES** by Stella Wilder

SUNDAY, APRIL 3, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are one of the most forceful, forthright, ambitious and energetic individuals born under your sign -- and that's saying something, for the Aries native is known for being all these things to some degree, and also to be unapologetic about it, as you are. You will go anywhere and do anything if you feel there is profit to be made from it, and that profit may benefit your mind, body, soul or bank account; you don't care which.

MONDAY, APRIL 4  
**ARIES (March 21-April 19)** -- A certain question uncovered today may be answered in any number of ways, but you're eager to see things follow a certain pattern.  
**TAURUS (April 20-May 20)** -- A minor fear is holding you back today, though you would scoff at the very idea. In fact, your behavior is telling the whole world the truth.  
**GEMINI (May 21-June 20)** -- You can prevent only so much today, so instead, focus on how you will respond to what happens -- whether expected or unexpected. Communicate!  
**CANCER (June 21-July 22)** -- Pay attention to all the messages that are sent to you today via unspoken or unwritten means. Others rely on your interpretations.  
**LEO (July 23-Aug. 22)** -- Do not try to force anyone into agreement or cooperation with you today. It must happen organically or not at all. Be ready for anything.  
**VIRGO (Aug. 23-Sept. 22)** -- The more you seek approval from others, the less it is likely to mean to you in the long run. You must please yourself, first and foremost!  
**LIBRA (Sept. 23-Oct. 22)** -- Focus on raising the bar today; the quality of your work is fine, but there's always room for improvement, and you know how to make that happen.  
**SCORPIO (Oct. 23-Nov. 21)** -- Sit back and watch the world go by for a while without feeling compelled to take part. Later, you'll be playing a central role for sure!  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- Your comfort level depends today on what kind of people you surround yourself with, for you're not likely to get along with just anyone.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You can surely make your dreams come true, if not today, then in the days to come -- but you must accept that this will happen in a strange way.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You may have trouble wrapping your head around a new concept, but a friend or co-worker steers you in the right direction by day's end.  
**PISCES (Feb. 19-March 20)** -- What happens between you and someone you "fancy" may not be noticed by anyone else, but you're keenly aware that something new is going on.

MONDAY, APRIL 4, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are a rather unconventional individual, and even from an early age you will confound expectations and surprise those around you with behavior that seems to come from nowhere -- but of course you will learn as you mature that it comes from deep within and is likely more genuine and true than the behavior of most others. Once you have settled on any kind of "truth," you're not one to compromise or be swayed in any way.

TUESDAY, APRIL 5  
**ARIES (March 21-April 19)** -- You don't want to do anything that's going to take those closest to you by surprise today, as you will upset a very delicate balance.  
**TAURUS (April 20-May 20)** -- You are perhaps too eager to move on today; there are some loose ends worthy of your attention, and others depend upon your thoroughness.  
**GEMINI (May 21-June 20)** -- You'll be able to jump into something headfirst, with full commitment, and get ahead of the competition right from the start. Keep up the pace!  
**CANCER (June 21-July 22)** -- Your unique way of expressing yourself serves you very well today, and others likely believe something that is almost unbelievable.  
**LEO (July 23-Aug. 22)** -- You're not afraid of embracing the more ridiculous side of your character, and doing so at this time can keep you from making a very serious mistake.  
**VIRGO (Aug. 23-Sept. 22)** -- Your loyalty may be put to the test today by someone who doesn't really understand what your relationship is built upon. Speak your mind.  
**LIBRA (Sept. 23-Oct. 22)** -- A promise kept is worth more than you know. Today you'll want to be there for someone who doesn't know how to ask for your assistance.  
**SCORPIO (Oct. 23-Nov. 21)** -- By example, you can show someone what it means to be honest and honorable -- even in a situation that invites quite the opposite behavior.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You must not turn your back on anyone in need today; remember, tomorrow it may be you who requires assistance. You can do the right thing.  
**CAPRICORN (Dec. 22-Jan. 19)** -- The people around you may fill you with all kinds of recognition and praise -- but is that what you really need right now? Go your own way.  
**AQUARIUS (Jan. 20-Feb. 18)** -- It may be more difficult than expected to keep your word today, but there's really no choice in the matter; you must do what you promised.  
**PISCES (Feb. 19-March 20)** -- You may be lacking the kind of certainty you're used to having in certain situations, so be cautious and take it slowly if allowed.
