(:15) "Summer of 85" (2020) Félix Lefebvre. (Subtitled) 'NR'					

tonight s best

Warren Boone

8 p.m. on CBS Undercover Boss

Coco's Bakery, which started in 1948 as a small burger-and-pie restaurant on Southern California's Pacific Coast Highway, is so customer-focused that its chief executive, Warren Boone, has the title of "chief people officer." Tonight's season finale episode finds an incognito Boone on the front lines of his business, making sure that the 30 Coco's restaurants across California and Arizona are delivering on the promise of good food served in a place that's as comfortable as your home kitchen.

8 p.m. on NBC The Blacklist

Tensions within the group escalate when Cooper's (Harry Lennix) determined search to find out who is blackmailing him overlaps with the Task Force's latest Blacklist case in a new episode called "Andrew Kennison." James Spader, Diego Klattenhoff, Hisham Tawfiq and Amir Arison also star.

9 p.m. on HIST The UnXplained

A new episode called "What Lies Below?" looks at the real "final frontier" of our planet: the underwater world of Earth's oceans, 80 percent of which remains unexplored. Now, however, breakthroughs in new technology allow researchers to explore the world's seas and deep lakes more thoroughly than ever before. This hour considers the extraordinary wonders that could await scientists deep below the surface. William Shatner is the host.

11 p.m. on HBO A Black Lady Sketch Show

Series stars Robin Thede, Gabrielle Dennis, Ashley Nicole Black and Skye Townsend are back as this Emmy-winning sketch comedy show — which takes a comical look at life in a magical reality that subverts traditional expectations — returns for Season 3. These new episodes also will feature more than 40 guest stars, including filmmaker Ava DuVernay, Michaela Jaé Rodriguez, Raven-Symone, Wanda Sykes, David Alan Grier, Kyla Pratt, Holly Robinson Peete, Vanessa Williams, Michael Ealy, Wayne Brady and Bob the Drag Queen, among others.
