tonight s best

Jesse Lee Soffer

8 p.m. on PBS
Nature

The new episode "American Arctic" explores the Arctic National Wildlife Refuge in the northeast corner of Alaska, which has long offered protection to animal survivors of the Ice Age, who are free to roam this frozen wilderness. The Porcupine caribou herd traverses all of this region in the longest land-animal migration on Earth, but other extraordinary wildlife moments unfold everywhere in the refuge. Sadly, this icy fortress is melting due to climate change, posing an existential crisis for the resident polar bears, musk oxen, caribou and Arctic foxes.

9 p.m. on CW
Kung Fu

A tip from Evan (Gavin Stenhouse) leads Nicky and Mia (Olivia Leung, guest star Vanessa Yao) to a secret meeting between Juliette (guest star Annie Q) and a mysterious scientist in the new episode "Jyu Sa." Later, Nicky finds herself uncertain whether to view Mia as a friend or a shifu (teacher). Meanwhile, Henry's (Eddie Liu) findings lead him to an expert who may be able to decipher his research.

10 p.m. on NBC
Chicago P.D.

During an investigation, Halstead (Jesse Lee Soffer) is tasked with taking a new recruit under his wing. The dynamic between them is challenging, however, especially when questions begin to arise about this newbie's past, which is complicated, to put it mildly. Jason Beghe, Marina Squerciati, Patrick John Flueger, LaRoyce Hawkins and Amy Morton also star in the new episode "New Guard."

10 p.m. on FREE
Good Trouble

Evan (T.J. Linnard) proposes an idea that he hopes could save Bulk Beauty in the new episode "Something Unpredictable, but in the End It's Right." Elsewhere, Alice (Sherry Cola) has returned, but things between her and Sumi (Kara Wang) are still strained. Meanwhile, Isabella's (Priscilla Quintana) surprise '90s-themed 40th birthday party for Dennis (Josh Pence) makes Davia (Emma Hunton) fear she's losing him. Angelica and Dyonte (Yasmine Aker, Marcus Emanuel Mitchell) have an encounter.
