HOROSCOPES by Stella Wilder

THURSDAY, APRIL 14, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are destined to be looked upon as someone strong, secure, capable, affable and possessed of a great deal of particular talent and expertise, and you are almost certain to make a name for yourself -- and it is likely to be quite clear from an early age where your heart and your talents are most likely to lead you. You are a natural storyteller, and you know how to combine the best methods and techniques from days gone by with new strategies and tactics in order to maximize the impact you have.

FRIDAY, APRIL 15
ARIES (March 21-April 19) -- You may run up against a rule that you simply cannot understand, so you may choose to raise an objection. Your patience will likely be tested.
TAURUS (April 20-May 20) -- You may be assigned a task that sits well outside of your wheelhouse -- but if you're careful, you can perform it in a way that does you proud.

GEMINI (May 21-June 20) -- A sacrifice is expected to win you certain "rights," but you may be disappointed that what you want comes at an unexpected cost today.
CANCER (June 21-July 22) -- You may be very concerned about how a certain situation will affect someone today; step forward and offer protection if you can.
LEO (July 23-Aug. 22) -- The time has come for you to make clear what it is you expect from those working closely with you. Unveil that "secret" motive -- if you dare!
VIRGO (Aug. 23-Sept. 22) -- The tools you have available to you may not be tailor-made for the job you have to tackle today, but you can get the job done, surely.
LIBRA (Sept. 23-Oct. 22) -- If you hear the words "time is up" and you're not yet finished with a certain endeavor today, you'll want to negotiate for a change in the rules.
SCORPIO (Oct. 23-Nov. 21) -- Never unwilling to do what is required, you'll work hard today to see that a recent promise is kept.

Now is no time to let anyone down.
SAGITTARIUS (Nov. 22-Dec. 21) -- You can show someone else what you're made of today -- and impress yourself and a loved one at the same time. Memories are made this way!
CAPRICORN (Dec. 22-Jan. 19) -- What begins as a joke becomes quite serious before long. By day's end, you'll want to explore how you got yourself into this predicament.
AQUARIUS (Jan. 20-Feb. 18) -- A change in someone's plans will require you to make adjustments to your own today -- but one thing above all else is nonnegotiable.
PISCES (Feb. 19-March 20) -- You are facing a challenge that is likely to test your mettle in an unexpected way. Listen to a friend's advice, and avoid a knee-jerk reaction.
