HOROSCOPES by Stella Wilder

SUNDAY, APRIL 17, 2022

YOUR BIRTHDAY by Stella Wilder

Born today, you are one of the most force-
ful and aggressive individuals born under
your sign, and you are never one to back
down from a fight when you believe there
is something important at stake -- be it your
own well-being, the well-being of others, or
a principle or ideal that lies at the center of
your being. Though you are always quick to
act when action is called for, you are also
quite adept at balancing that action with
careful thought, which usually prevents you
from doing anything ill-advised or impulsive.

MONDAY, APRIL 18

ARIES (March 21-April 19) -- A piece of
news that comes to you today may prove a
real shocker -- but you can recover in time
to do the right thing and give a friend a boost.

TAURUS (April 20-May 20) -- Your
patience may be tested by someone who
simply won't follow the rules. Is it time to go
your own way? Consider all such options --

now!

GEMINI (May 21-June 20) -- The actions
of someone who is trying very hard to
impress you may actually be underwhelming,
but you don't have to say so -- just yet.

CANCER (June 21-July 22) -- The view
from where you are right now gives you
renewed hope for a very bright future --
which begins almost immediately. Make
some plans!

LEO (July 23-Aug. 22) -- A look back gives
you a new perspective on something that is
a pivotal part of your own personal history --
but do you want to share it with others?

VIRGO (Aug. 23-Sept. 22) -- What begins
as a disappointment today may prove quite
satisfactory when all is said and done, thanks
to last-minute maneuvering.

LIBRA (Sept. 23-Oct. 22) -- You may have
to work harder than usual to do what you
know is right. Today, efforts that back the
system are met with unexpected resistance.

SCORPIO (Oct. 23-Nov. 21) -- Things are

likely to pan out very much as expected today

-- provided you do precisely what you've been
told to do at the right time.

SAGITTARIUS (Nov. 22-Dec. 21) --
Despite your own thorough preparations, you
are harboring doubts about today's contest,
but you may devise a new way to get ahead.

CAPRICORN (Dec. 22-Jan. 19) --
Perspective is everything today, so you must
be sure to look both backward and forward to
get your bearings and maintain your balance.

AQUARIUS (Jan. 20-Feb. 18) -- It may be
time for you to refuse someone's all-too-
familiar request for assistance. You have your
own work to do today, surely!

PISCES (Feb. 19-March 20) -- There is
little danger of you living in the past, even if
you spend time looking back in that direc-
tion. Study what has worked for you.

YOUR BIRTHDAY by Stella Wilder

Born today, you are one of the most sur-
prising individuals born under your sign,
the kind of person who keeps other people guess-
ing again and again, and who not only enjoys
exploring all the various things there are for
you to do in life, but also the various unique
ways you can do them! This is how you stay
young and keep discovering all there is to
discover about your own life.

TUESDAY, APRIL 19

ARIES (March 21-April 19) -- If it's some-
thing urgent, it's something you'll want to be
involved in today, as you're one of the only
people who knows what's at stake.

TAURUS (April 20-May 20) -- Someone is
likely to reach out to you and request from
you something you are not in a position to
give just yet. But you can compromise, surely.

GEMINI (May 21-June 20) -- Someone
close to you may take an unusual step today,

and you'll be in charge of shaping the
response of those who are on your side.

CANCER (June 21-July 22) -- You may
feel like you have to hide something about
yourself today, but a close friend is more than
willing to accept you exactly as you are!

LEO (July 23-Aug. 22) -- You may find
yourself involved in a kind of race today -- but
the first person to cross the finish line may
not be the one to take home the best prize.

VIRGO (Aug. 23-Sept. 22) -- You can give
someone precisely what they have asked for
-- or you can give them more. It's within your
power to exceed expectations today.

LIBRA (Sept. 23-Oct. 22) -- You may have
to hide yourself away today in order to reflect
on what has been happening to you lately.
Some answers come to you quickly.

SCORPIO (Oct. 23-Nov. 21) -- The resis-
tance you mount against someone who is
determined to break the rules can serve as a
shining example to many others. Don't hold

back!

SAGITTARIUS (Nov. 22-Dec. 21) -- You
may be wondering why you haven't heard
from a certain someone in many a moon --
but today the mystery of your separation can
be solved.

CAPRICORN (Dec. 22-Jan. 19) -- What
you have available to you is no "magic
potion," but it can surely work wonders if
applied to a stubborn problem in a timely
fashion today.

AQUARIUS (Jan. 20-Feb. 18) -- You may
go back and forth between two ideological
extremes today before settling on the stance
that will carry you forward very well from
here.

PISCES (Feb. 19-March 20) -- A trip down
memory lane is not to be resisted today, as
you're sure to learn a few important lessons
about how you got to where you are now.
