HOROSCOPES by Stella Wilder

TUESDAY, APRIL 26, 2022
YOUR BIRTHDAY by Stella Wilder
 Born today, you are one of the most tenacious individuals born under your sign, blessed with tremendous ability and fortitude, and willing always to do what you must to get ahead and make your dreams come true -- all while helping others to do the same. You are nothing if not generous -- with your time, energy, talent and your cool head and keen understanding of what makes people tick.

WEDNESDAY, APRIL 27
TAURUS (April 20-May 20) -- You'll be eager to find another way of doing something today so that you and a rival don't keep crossing paths. Use your imagination!

GEMINI (May 21-June 20) -- You should have a keen sense of which situations are beneficial to you today and which aren't -- and this should save you a good deal of trouble!

CANCER (June 21-July 22) -- If you're ready to do what you've said you'll do, then go ahead and do it today! Now is the time to make a statement that others will remember.

LEO (July 23-Aug. 22) -- You mustn't hold back today when your sensibilities are confronted with something that just won't do. Speak your mind clearly and freely.

VIRGO (Aug. 23-Sept. 22) -- You may choose to adjust your behavior today to suit the desires and expectations of one particular individual -- but this is not to be repeated.

LIBRA (Sept. 23-Oct. 22) -- You don't want to set a precedent for doing something wrong in order to achieve the "right" ends -- which means "no" is your only answer today.

SCORPIO (Oct. 23-Nov. 21) -- Study the attitudes of all those around you today and you should determine very quickly what you should and should not do and say.

SAGITTARIUS (Nov. 22-Dec. 21) -- Others may be making some dangerous assumptions today, but you're only interested in the facts today -- which are surely available.

CAPRICORN (Dec. 22-Jan. 19) -- You may be quite sensitive to the overall mood of those surrounding you today, and you'll want to adjust your approach accordingly.

AQUARIUS (Jan. 20-Feb. 18) -- You don't want to do anything that might damage your reputation. Be sure you're not leading someone astray -- even unintentionally.

PISCES (Feb. 19-March 20) -- Sincerity is the only measure to be considered today, and if someone isn't being sincere with you, then it's time for you to go elsewhere.

ARIES (March 21-April 19) -- Productivity is on the rise, but you may be hamstrung for a time today because of what someone did before you arrived on the scene.
