HOROSCOPES by Stella Wilder

SUNDAY, MAY 15, 2022 YOUR BIRTHDAY by Stella Wilder
Born today, you are such a wildly creative individual that it is anyone's guess, at any given time, what they might find you working on -- and, indeed, there are times when you may surprise even yourself by jumping wholeheartedly into something you've never done or doing something seemingly routine in a way that has never been tried.

just how necessary it is. Don't hold back. CANCER (June 21-July 22) -- You may not be looking forward to receiving feedback on a certain past endeavor, but what you learn will serve you well in future attempts. LEO (July 23-Aug. 22) -- You're going to have to deal with the consequences of a recent entanglement, especially if you haven't quite sorted it out to your satisfaction.

Information isn't likely to come to you very quickly today, in part because you haven't yet set up an efficient way to receive it. CAPRICORN (Dec. 22-Jan. 19) -- You mustn't pay so much attention to what others are doing and saying that you are careless in your own work. You must avoid mistakes. AQUARIUS (Jan. 20-Feb. 18) -- The fallout from a recent decision is difficult to handle today -- but a friend steps in and helps you clear the way forward just in time.

MONDAY, MAY 16, 2022 YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most colorful individuals born under your sign, and though you are often going to find yourself on display in some way, that doesn't mean others are going to know all about you or be privy to your innermost secrets.

CANCER (June 21-July 22) -- Let your actions speak louder than words today and you'll surely win the respect of someone you've long looked up to as a guide and mentor. LEO (July 23-Aug. 22) -- You want to get up and go today -- but where? Let yourself wander a bit, and you'll discover that you do have something of an agenda. VIRGO (Aug. 23-Sept. 22) -- It's a good time to let others influence you as they will -- up to a point. You have something to learn about group dynamics today.

Difficulty you encounter today can actually do you a great deal of good -- especially if you're receptive to any kind of criticism. CAPRICORN (Dec. 22-Jan. 19) -- You must keep your promises today -- in business, in love, in all things. It may be difficult, but too much hangs in the balance. AQUARIUS (Jan. 20-Feb. 18) -- You may soon feel reborn in some sense, and today you'll want to take the opportunity to learn all you can about the old you. PISCES (Feb. 19-March 29) -- Time may be working against you during the first part of the day, but the clock becomes an ally later on, when you are able to settle in.
