HOROSCOPES by Stella Wilder

SATURDAY, MAY 21, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are never afraid to say what you think, and do the things that put your feelings and beliefs into motion in practical ways. If this brings you into conflict, so be it, but like so many Taurus natives, you are never one to shrink from a challenge, especially when it is ideological in nature. You are a natural strategist, capable at all times of assessing a situation and coming up with the most effective plan possible for dealing with it.

SUNDAY, MAY 22
GEMINI (May 21-June 20) -- If it's happened before, it can happen again, and today is likely the day for something to sneak up on you for which you should have been ready.
CANCER (June 21-July 22) -- You may be confusing a benefit with a liability today; figure out where your strengths really lie, and you can rely upon them more.
LEO (July 23-Aug. 22) -- You can have a lot of fun today -- after you get your work done. For only then will you be able to free your mind and really let go!
VIRGO (Aug. 23-Sept. 22) -- Someone you know only a little is likely to reveal more to you than ever before, and the result leads you to make a last-minute decision.
LIBRA (Sept. 23-Oct. 22) -- You feel as though you are ready for anything, but you must be honest with yourself today and acknowledge the few things you want to avoid.
SCORPIO (Oct. 23-Nov. 21) -- You may be able to solve a stubborn mystery today when someone offers you a clue that doesn't look like a clue until you examine it closely.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be periously close to passing up an opportunity that could change things for the better -- now and in the future. Be ready!
CAPRICORN (Dec. 22-Jan. 19) -- You're selling yourself short if you think that you're not up to par, but the truth is that you are looked upon as a true and able leader.

AQUARIUS (Jan. 20-Feb. 18) -- Others may affix all manner of labels on you today, but much that you do and much of who you are can't be categorized in that way.
PISCES (Feb. 19-March 20) -- You'll want to be sure that you keep up with others in the search for knowledge and usable information. Falling behind leads to trouble.
ARIES (March 21-April 19) -- You want to dig into things a bit more than usual, and today you'll have the chance to invest more completely in several activities.
TAURUS (April 20-May 20) -- Your focus may have to be divided between two important issues today -- but you know that one more than the other will demand more time of you.
