 YOUR BIRTHDAY by Stella Wilder

Born today, you possess a number of special talents, and you will surely spend the greater part of a lifetime developing, honing and using them to establish yourself as a master of whatever line of work you eventually choose to immerse yourself in on a daily basis. You are able to keep a great many things in your head at any one time, and your capacity for multitasking is almost unmatched by anyone else born under your sign.

MONDAY, MAY 23

**GEMINI (May 21-June 20)** -- The questions for which you are most eager to find answers may prove more opaque than expected today, but you can still make measurable progress.

**CANCER (June 21-July 22)** -- It's the little things that may stand in your way today, but once you get over the notion that everything is very important, you'll fare well.

**LEO (July 23-Aug. 22)** -- You owe something to others that you may not be ready or able to pay -- but perhaps you can make an alternative arrangement today. Speak up!

**VIRGO (Aug. 23-Sept. 22)** -- You can make use of almost any idea today, though you will certainly recognize the better ones, as they can yield results almost immediately.

**LIBRA (Sept. 23-Oct. 22)** -- Your docket may not be entirely full, but that can work in your favor, as you're likely to spend more time on one endeavor than expected.

**SCORPIO (Oct. 23-Nov. 21)** -- You have a great many abilities that can come in handy, but you're eager to show off just one -- and that opportunity comes late in the day.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You needn't agree with those around you today, but things will go more smoothly for you if you try to understand why they think as they do.

**CAPRICORN (Dec. 22-Jan. 19)** -- The

more you find yourself traveling here and there today, the more you'll want -- and need -- to maintain contact with home and family.

**AQUARIUS (Jan. 20-Feb. 18)** -- You're eager to get out from someone's shadow today and soar -- but you must take care that you're not trying to do too much too soon.

**PISCES (Feb. 19-March 20)** -- Following another's instructions can work wonders for you during the first part of the day, but later on, you'll want a little more freedom.

**ARIES (March 21-April 19)** -- You've earned the right, perhaps, to explore things in your own way -- and according to your own timetable. Let others know what you need.

**TAURUS (April 20-May 20)** -- One phase is coming to a close at this time while another is just beginning -- but an unavoidable overlap may render this a critical period.

may have been in a position of authority in the past, but right now you're going to have to keep silent and do as you are told.

**AQUARIUS (Jan. 20-Feb. 18)** -- You're willing to fight for your freedom today, but take care you're not going up against someone who has already won this particular battle.

**PISCES (Feb. 19-March 20)** -- You may have to put your foot down today in order to command the respect of those who would otherwise disregard your boundaries.

**ARIES (March 21-April 19)** -- Go back in time if you can and examine both a mistake and an accomplishment; they will tell you all you need to know about a coming challenge.

**TAURUS (April 20-May 20)** -- You'll have reason to call upon those whom you look up to, if only figuratively, as you may want to model your own deeds after one long gone.

TRADITION helps you remain steady today, even as you try something new. Others envy your ability to let go and experiment a bit.

YOUR BIRTHDAY by Stella Wilder

Born today, you are one of those rare individuals able to straddle both sides of a clear dividing line -- and whether it divides personality types, issues, ideals, principles, plans or activities, you are always comfortable walking that line, dealing with what comes in a rational, thoughtful and genuine manner. You're not one to force your views on others, and you firmly believe that there is plenty of room in the world for all lifestyles and beliefs.

TUESDAY, MAY 24

**GEMINI (May 21-June 20)** -- You can move ahead with confidence, even if you don't have every piece of a particular puzzle in place. Experience holds you steady.

**CANCER (June 21-July 22)** -- What remains out of sight today will be an object of curiosity for most, but not for you. You're more interested in what is clearly accessible.

**LEO (July 23-Aug. 22)** -- Your behavior today may confuse some, but those who know you best understand that you're trying something new as you ponder a fresh direction.

**VIRGO (Aug. 23-Sept. 22)** -- You may be faced with an unusual choice today, but that doesn't mean you can't approach it in a logical manner. You see what's coming.

**LIBRA (Sept. 23-Oct. 22)** -- You mustn't fear dissenting voices today, but rather you should welcome them, as they will ensure that your opinions are solidly based.

**SCORPIO (Oct. 23-Nov. 21)** -- You may be facing something of a moral dilemma today. In the past, this would be easier, but now you're not quite so sure of yourself.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Tradition helps you remain steady today, even as you try something new. Others envy your ability to let go and experiment a bit.
