HOROSCOPES by Stella Wilder

WEDNESDAY, MAY 25, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you pretty much let it all hang out and allow others to deal with you as they will -- rather than controlling your behavior to suit those around you. Others may label you "inconsiderate" or "thoughtless," and that may be so as far as social constructs are concerned, but you cannot be anything but what you truly are, and any attempt to hide or alter your nature to suit a given circumstance or someone's personal taste or preferences is sure to backfire. THURSDAY, MAY 26 GEMINI (May 21-June 20) -- You are feeling the need for something to cling to today as your emotions well up and you fear losing control. A friend is standing by. CANCER (June 21-July 22) -- You'll want to spend as much time as possible in preparation for the next big thing -- even though you may not know exactly what it is.

LEO (July 23-Aug. 22) -- Reaching out without intent may only prove a waste of valuable time today. You'll want to tee up your selling points; be as persuasive as you can. VIRGO (Aug. 23-Sept. 22) -- You're behaving in a way that doesn't bode well for another who is likely depending on you. It's time to get serious and do what you must. LIBRA (Sept. 23-Oct. 22) -- The advice you receive today may not be applicable to your immediate situation, but you'll surely want to tuck it away to use another time. SCORPIO (Oct. 23-Nov. 21) -- Listen to what comes your way -- or, rather, listen to the manner in which the message is delivered. This tells you a lot about its reliability. SAGITTARIUS (Nov. 22-Dec. 21) -- You'll feel a strong gravitational pull from someone who is very eager to get to know you better, but is this something you can't afford? CAPRICORN (Dec. 22-Jan. 19) -- You'll receive the information you need, but in order

to receive it in time to use it, you must give someone a very clear nudge! AQUARIUS (Jan. 20-Feb. 18) -- It's a good day to pick up the pace somewhat, and others are eager for you to demonstrate just how good you are at controlling the pace. PISCES (Feb. 19-March 20) -- You can afford to let down just a little today, as the greatest responsibility is likely to be shouldered by a teammate -- but just for now. ARIES (March 21-April 19) -- The fact that you're feeling uninspired has little to do with the opportunities you're facing; you've simply got to adjust your attitude. TAURUS (April 20-May 20) -- You feel as though you're coming to the end of the line, but that's merely an illusion -- and one you must dispel quickly today.
