HOROSCOPES by Stella Wilder

SATURDAY, MAY 28, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those all-around good people, with skills and talents to be admired and emulated. You have an overall outlook that is positive, forward-thinking and always considerate of those around you. You are also quite the reverse at times, however. You can be something of a negative influence to others when you are, yourself, under the influence of the dark side of your personality, and this is always a part of yourself that you want to keep under wraps or at bay if at all possible.

SUNDAY, MAY 29
GEMINI (May 21-June 20) -- Getting it right is what it's all about today, and there's no time limit. You can go back and revisit the journey all you want -- for now.

CANCER (June 21-July 22) -- Obstacles standing in your way today are likely self-made, and as such, they can be removed only by your hand, doing things the right way.

LEO (July 23-Aug. 22) -- You may be frustrated that you're at a standstill, but there's plenty for you to look forward to -- if you just take the time to look!

VIRGO (Aug. 23-Sept. 22) -- You want to do something bigger, better and more memorable than before -- but the best way to start is to start small. Don't get cocky!

LIBRA (Sept. 23-Oct. 22) -- Your efforts are likely to be quite memorable today, whether or not you reach all the goals you've set for yourself. Do what you know how to do.

SCORPIO (Oct. 23-Nov. 21) -- The trends developing around you now are worth some study, as you don't want to be left behind, especially by those who are your juniors.

SAGITTARIUS (Nov. 22-Dec. 21) -- You have every reason to break with someone over an issue that refuses to go away -- but perhaps doing the opposite will benefit you most.

CAPRICORN (Dec. 22-Jan. 19) -- You'll have trouble maintaining a constant level of performance today, as your footing may be rather unstable -- figuratively speaking.

AQUARIUS (Jan. 20-Feb. 18) -- You're not in the right frame of mind to make bold changes at this time. The status quo gives you a certain necessary level of comfort.

PISCES (Feb. 19-March 20) -- Answers come to you easily today so long as you ask the right questions. Don't get bogged down by issues that have nothing to do with you.

ARIES (March 21-April 19) -- Nostalgia plays an important part in your planning process today -- but take care that you don't try too hard to recreate the past.

TAURUS (April 20-May 20) -- The work you do today will be remembered for its clarity and effectiveness -- though you may not be remembered as the one who got it done.
