HOROSCOPES by Stella Wilder

SUNDAY, MAY 29, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are a charismatic, attractive and capable individual, but you are likely to have a great many obstacles to overcome as you make your way in the world and navigate your life. This is not because of anything conscious, or because of any flaw in your character, but rather it is likely to be the combined result of the times in which you live and the affect that others will have on you -- especially when you are young. You must always keep your goals in mind. MONDAY, MAY 30 GEMINI (May 21-June 20) -- The significance you find in a certain key issue, as well as the personal resonance, can inspire you to make a change you've long been considering. CANCER (June 21-July 22) -- You receive word from a friend or family member that things are not the way you left them; it's time for you to restore a certain order.

LEO (July 23-Aug. 22) -- You may want to push yourself further today than usual, especially if you find yourself in service to an idea in which its time, you think, has come. VIRGO (Aug. 23-Sept. 22) -- An encounter with a total stranger means more to you than you might expect -- especially when you realize how much you have in common. LIBRA (Sept. 23-Oct. 22) -- Don't try to fight against coincidence today; use it to your advantage. Remember you cannot control certain key influences. SCORPIO (Oct. 23-Nov. 21) -- You may be affected by circumstances that have little to do with your needs or desires at this time -- but is that cause for concern? SAGITTARIUS (Nov. 22-Dec. 21) -- Assistance may not be available to you when you think you most need it, but this is the universe telling you you're not ready quite yet. CAPRICORN (Dec. 22-Jan. 19) -- You may be frustrated by your seeming inability to

get something done today, but the fact is that it's not something you should be doing anyway. AQUARIUS (Jan. 20-Feb. 18) -- Friends can do only so much for you today, and you'll soon realize that the situation you are facing is a test you must take alone. PISCES (Feb. 19-March 20) -- Don't be too hard on yourself today when correcting errors made in the recent past; this is how you come to terms with the present. ARIES (March 21-April 19) -- You may be pulled in more than one direction today by those who think they know what is best for you. Your very autonomy may be at stake. TAURUS (April 20-May 20) -- You can do much to ensure that a friend or loved one doesn't get left behind today. Focus on the journey itself, not the destination.

MONDAY, MAY 30, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you often find yourself at the center of things, playing many roles that keep you busy and involved -- even, at times, when you would prefer solitude and time off. Given the choice, however, you will always choose involvement over stagnation; you cannot stand the thought of doing nothing, either on a daily basis or with your life as a whole, and you are glad that you are the type of person who not only thrives on activity of all kinds, but also who knows how to attract it and how to seek it out. TUESDAY, MAY 31 GEMINI (May 21-June 20) -- There are more choices available to you today than you know, and you must act fast if you're to remain ahead of the pack. Don't be overtaken! CANCER (June 21-July 22) -- A friend helps you through a tough time today, and though not all is back to normal, you'll likely feel as though you can proceed as if it is.

LEO (July 23-Aug. 22) -- You can experience something out of the normal range of experience today -- but take care that you don't get carried away and make a hasty change. VIRGO (Aug. 23-Sept. 22) -- What you have is likely to be admired by someone, but you don't have to be so protective of it that you're unable to enjoy it yourself. LIBRA (Sept. 23-Oct. 22) -- You may be in for something of an emotional roller coaster ride today, thanks to a chance encounter that brings up several sensitive issues. SCORPIO (Oct. 23-Nov. 21) -- Just because you see something that needs fixing doesn't mean you have to become frustrated or angry. Tend to it and get the work done. SAGITTARIUS (Nov. 22-Dec. 21) -- If you're unwilling to speak up when you spot an injustice, you're becoming part of the problem. You must be willing to say what's what! CAPRICORN (Dec. 22-Jan. 19) -- You

may find yourself defending another for doing something you would never do, but it's the unique circumstances that are truly at fault. AQUARIUS (Jan. 20-Feb. 18) -- If it's simplicity you're after, you may have it -- but you're going to have to pay for it by making a certain sacrifice. Can you do it? PISCES (Feb. 19-March 20) -- It's a good time to put yourself out there and test whether you're ready for a coming challenge. Competition heats up among friends. ARIES (March 21-April 19) -- You are paying attention to all the right issues that you are aware of -- but one may slip through the cracks and require a review later on. TAURUS (April 20-May 20) -- You may come up against someone who isn't willing to listen to what you have to say, regardless of your intent. It's a stubborn situation.
