**HOROSCOPES** by Stella Wilder

WEDNESDAY, JUNE 1, 2022  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are determined to make a success of yourself, though there are times when you are not quite sure how to go about it or what, specifically, you must do to get started in the right direction. Fortunately, the stars have made you a lucky individual, the kind who knows instinctively how to be in the right places at the right times and how to surround yourself with the right people.  
THURSDAY, JUNE 2  
**GEMINI (May 21-June 20)** -- You may find yourself fighting against a figment of your imagination today -- but that figment represents ideas contrary to your own.  
**CANCER (June 21-July 22)** -- You receive a message from someone who has chosen to remain anonymous, but if you look at it from different angles, you'll discover who it is.  
**LEO (July 23-Aug. 22)** -- Much that you are

doing today can yield measurable results, but not necessarily in the ways that you had anticipated. You must be more flexible.  
**VIRGO (Aug. 23-Sept. 22)** -- Information can only be received if you are willing to read between the lines today. This will require careful interpretation.  
**LIBRA (Sept. 23-Oct. 22)** -- The road ahead has been cleared of obstacles for you, which may raise a question about your benefactor's identity -- but they will remain elusive.  
**SCORPIO (Oct. 23-Nov. 21)** -- Criticism that comes your way isn't likely to give you more information than you already had -- or affect your self-esteem in any real way.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You may be looking for a shortcut that simply doesn't exist. Take care that you don't discover this so late that other options are limited.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You can make one or two small but important changes

to your schedule today -- and to the way you attack each item on it. Efficiency is key.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You may not be aware of someone's motives, but you know perfectly well how you're being affected by their actions. You must speak up!  
**PISCES (Feb. 19-March 20)** -- You may be going about something in a manner that others might consider old-fashioned or outdated, but if it works for you, so be it!  
**ARIES (March 21-April 19)** -- You will have cause to reflect on your own situation today as you learn more about someone. You two have much in common right now.  
**TAURUS (April 20-May 20)** -- You mustn't assess the value of an opportunity according to its immediate import. It will take time for this to reach its true potential.
