HOROSCOPES

by Stella Wilder

TUESDAY, JUNE 7, 2022
YOUR BIRTHDAY by Stella Wilder
 Born today, you are a vibrant and colorful individual, and the life you lead is likely to be a full-bodied representation of your personality. You are quite individualistic; to suggest that you are "original" or "one of a kind" is actually an understatement. You don't seem to subscribe to the same kinds of rules, guidelines and moral structures that shape the lives of those around you.
 WEDNESDAY, JUNE 8
GEMINI (May 21-June 20) -- You can reconnect today with that part of yourself that is so adept at steering you through difficult terrain. You're back on track very soon!
CANCER (June 21-July 22) -- You can prove quite instrumental today in determining what must be done for the greater good. A former plan, revisited, can pay off.
LEO (July 23-Aug. 22) -- You can keep

doubt at bay today even as you tend to issues that are outside of your comfort zone. Someone's encouragement works wonders.
VIRGO (Aug. 23-Sept. 22) -- You are eager to explore one or two unfamiliar paths today to see if there is any potential for you along the way. Be ready for anything!
LIBRA (Sept. 23-Oct. 22) -- Your issues are not necessarily more important than someone else's today, so you may want to figure out a "time sharing" approach.
SCORPIO (Oct. 23-Nov. 21) -- You've been relying on the same old methods for a while, but what someone else is doing can inspire you to try a new way of doing things.
SAGITTARIUS (Nov. 22-Dec. 21) -- You're not likely to go about things in the usual ways today -- at least not with the same old mindset. Something has surely changed.
CAPRICORN (Dec. 22-Jan. 19) -- You may be called upon to protect someone today,

and your way of doing so is likely to be quite unorthodox -- but very effective.
AQUARIUS (Jan. 20-Feb. 18) -- You may want to take some time today to hone one or two skills a bit more than usual. A challenge looms that you must certainly be able to meet.
PISCES (Feb. 19-March 20) -- You must resist the temptation to tell someone what to do -- or how to do it. You can be there to help with peripheral issues.
ARIES (March 21-April 19) -- By watching someone's performance today, you are likely to learn something about how not to do what you are scheduled to do very soon.
TAURUS (April 20-May 20) -- You have been compared to one whose behavior, to you, is inexcusable -- so you will want to determine just what you may truly have in common.
