WEDNESDAY, JUNE 8, 2022  
**YOUR BIRTHDAY** by Stella Wilder

Born today, you always want things to be the way you want them, and there's usually very little room for adjustment or compromise as far as you are concerned. You are always working to keep your ducks in a row and to have all of life's issues sorted in such a way that you are confident in your ability to handle them efficiently and effectively are completely in your favor -- or as close to that as humanly possible.

**THURSDAY, JUNE 9**  
**GEMINI (May 21-June 20)** -- You can expect progress to be made in fits and starts today, in part because your preparations have been incomplete. Get with the program!  
**CANCER (June 21-July 22)** -- You may surprise yourself with the speed at which you're able to get things done today. Consider identifying your primary motivation.  
**LEO (July 23-Aug. 22)** -- You know what

someone is up to, but you're not sure what there is for you to do about it -- if anything. Don't fight the status quo -- yet.

**VIRGO (Aug. 23-Sept. 22)** -- You can do something for someone important to you even though you may be far away. The adage holds true again: It's the thought that counts.

**LIBRA (Sept. 23-Oct. 22)** -- While you are busy making plans today, someone may be putting plans in motion. You mustn't let them steal your thunder. Act now!

**SCORPIO (Oct. 23-Nov. 21)** -- Take care that you don't let anyone take advantage of you while you are feeling more emotional than usual. Protect yourself any way you can.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Even a minor irritation can take its toll if you're unable to shrug it off. How you absorb things is of major concern today.

**CAPRICORN (Dec. 22-Jan. 19)** -- A new approach gets you further today than you had

hoped -- but you must expect something of a slowdown to follow. It's an odd phase.

**AQUARIUS (Jan. 20-Feb. 18)** -- You can see past all manner of obstacles today and get where you want to go with a minimum of trouble. Another follows in your footsteps.

**PISCES (Feb. 19-March 20)** -- You want to do a little more research than usual today so that, when the time comes, you are fully prepared for what's next.

**ARIES (March 21-April 19)** -- You must decide today whether a certain endeavor is worth a full commitment, or only a part-time expenditure of time and energy.

**TAURUS (April 20-May 20)** -- News comes to you today hot off the press, but you're not likely to be impressed. You have a surprise in store for someone.
