## 7:02 p.m. on WTBS Movie: Men in Black

Blink and you'll miss one of the best jokes in this tonguein-cheek 1997 sci-fi tale: a wall of mug shots that reveals some of Earth's more colorful celebrities to actually be aliens. They're everywhere, and they're aiming to destroy the Earth. That's where agents J and K (Will Smith, Tommy Lee Jones) come in. Newly paired by the supersecret federal agency that employs them, they're sent off to stop the extraterrestrial aggressors. Two sequels, "Men in Black II" and "Men in Black 3," immediately follow.

## 8 p.m. on LMN Movie: Love Triangle Nightmare

Recently divorced Brittany is relieved that she and her ex, Austin, are still on cordial terms, but she's ready to move on, so she attends a "divorce party" for new singles. Jake, a handsome guest, immediately catches her attention, and it's not long before he sweeps Brittany off her feet. Meanwhile, Austin urges Brittany to pump the brakes on this whirlwind relationship, but she discovers too late that Jake has a scary side. Glenda Braganza, Jeff Teravainen and Tomas Chovanec star in this 2022 thriller.

## 9 p.m. on SHOW Movie: The Disaster Artist

James Franco directed, coproduced and stars in this 2017 biographical dramedy, which chronicles the (mostly) true story of an unlikely friendship that develops between wouldbe actor and filmmaker Tommy Wiseau (Franco) and Greg Sestero (Dave Franco, brother of James) while the two men are working Wiseau's 2003 film "The Room." The latter movie has become a cult classic among aficionados of terrible movies. Seth Rogen, Alison Brie, Ari Graynor and Zac Efron also are featured in the film, which earned several plaudits at the end of its release year.
