Hotel Portofino

This new period drama takes place on the French Riviera in the summer of 1926, when Bella Ainsworth (Natascha McElhone) arrives in Portofino, Italy, on a somewhat quixotic mission to open a quintessentially British hotel catering to the tourist trade. Almost immediately, she finds herself trying to please high-maintenance guests despite a shortage in both money and staff. Political turbulence driven by Mussolini doesn't make things any easier.
