## HOROSCOPES

by Stella Wilder

THURSDAY, JUNE 23, 2022

**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are likely to lead a life of vivid contradictions, the most dramatic of which is sure to be your seeming confidence and willingness to give almost anything a try as opposed to the self-doubt that so often keeps you from enjoying your own accomplishments. This is the central paradox of most Cancer natives, and in you, it sits as a kind of defining element from which you will never escape.

**FRIDAY, JUNE 24**  
**CANCER (June 21-July 22)** -- Two paths seem to converge today, and where they meet, you'll likely be presented with the kind of choice you thought you'd never have to make. **LEO (July 23-Aug. 22)** -- Something that no one else around you is willing to try falls into your lap, and if you choose to attempt it, you will benefit in untold ways. **VIRGO (Aug. 23-Sept. 22)** -- You've been

away from the center of things for quite a while, and today you may be able to return -- without fanfare, of course. Do you dare? **LIBRA (Sept. 23-Oct. 22)** -- What you give another with enrich you as well. Decision-making proves easier than expected, especially if you front-load key activities. **SCORPIO (Oct. 23-Nov. 21)** -- It may be time, once again, to double down on someone you've been encouraged to believe in. Today, however, you can attract support. **SAGITTARIUS (Nov. 22-Dec. 21)** -- You've not been taking care of yourself in the way you've been encouraged to by those around you. Do they care more about you than you do? **CAPRICORN (Dec. 22-Jan. 19)** -- Your choice is simple today: You can either help someone with a difficult endeavor or get out of the way. Don't be an obstruction. **AQUARIUS (Jan. 20-Feb. 18)** -- You may find yourself involved in a bit of mischief today, and though it wasn't your idea, you'll wind up having to share in the cost. **PISCES (Feb. 19-March 20)** -- Guessing is likely to prove a costly mistake today; you'll want to deal at all times in that which is accurately quantifiable. **ARIES (March 21-April 19)** -- Because you are feeling more creative than usual, you may run afoul of someone who insists that everything be done by the book today. **TAURUS (April 20-May 20)** -- You know how things work -- or you used to. Today, you may be confused by something that would have been simple to you not very long ago. **GEMINI (May 21-June 20)** -- Don't forget to consider any possible long-term effects of what you do today -- especially if what you do flies in the face of convention.
