### **PUBLIC NOTICE**

The U.S. Department of Commerce, Economic Development Administration (EDA) is considering a request for Federal assistance from Liberty Theatre Foundation to complete renovations of the Liberty Theatre in La Grande, Union County, Oregon. Pursuant to the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA), EDA is conducting an assessment of the potential of the proposed project to affect the environment and/or historic properties.

The property is currently not functional for any purpose, leaving a vacant building in historic downtown La Grande. The proposed scope of work will complete key building restorations and improvements for the Liberty Theatre, located at 1010 Adams Avenue in La Grande, OR, in order to return the theatre to operation. The LTF has completed Phases I and II of construction, which included the first wave of façade restoration activities, as well as the demolition of the interior to prepare the theatre for restoration and asbestos abatement. Phase III included preparing the theatre for an occupancy permit, which the LTF now plans to have acquired by the end of Q3 2022. The LTF will then now turn its attention to Phase IV. These EDA grant funds would be used for final refurbishment of the theatre. It will including final plumbing fixtures, electrical work, wall and floor finishing, final carpentry, and finish work on the roughed-out exterior canopy. With this funding, the Liberty Theatre can realize its goal of a grand opening in late-2022 or early-2023. Project information is available for review at the Liberty Theatre: 1010 Adams Ave. La Grande, OR 97850 or by emailing:

If you have any information regarding potential impacts environmental resources or historic properties associated with this proposed project, please provide it in writing to:

EDA Regional Environmental Officer Subject Line: Liberty Theatre Phase IV SRO-REO@eda.gov or call 206-833-6035

Comments received by the EDA Regional Environmental Officer by 5:00 pm PST on July 14, 2022 will be considered. A copy of the NEPA/NHPA decisional document will be available upon request by the above EDA Regional Environmental Officer.
