See No Evil

In 2019, after a boozy night out with friends, college student Samantha Josephson makes a tragic error in judgment as she climbs into a car she mistakes for the ride she booked through an app. She never was seen again. The new episode "Ride-share Nightmare" examines how police detectives, with almost no evidence to go on, are forced to rely on CCTV footage to help pick up the killer's trail.

More Power

Longtime sitcom colleagues Tim Allen and Richard Karn ("Home Improvement") reteam for this new 10-episode docuseries that finds the duo — joined by YouTube DIY star April Wilkerson — looking back at the fascinating history of how tools evolved from basic handheld implements to mighty industrial creations that make life easier for society at large. Allen also welcomes some of the most skilled makers in America to his personal home shop, which serves as the main base of operations for this show.
