## "Fright Club"

### 7 p.m. on TRAV Fright Club

This spooky but often amusing series, in which host Jack Osbourne and the Ghost Brothers team up to get the facts behind the craziest paranormal clips out there, returns for its sophomore season with "How to Die in a Horror Film." As the series resumes, Osbourne and his Ghost Brothers cohorts -Dalen Spratt, Juwan Mass and Marcus Harvey — acquire some cursed artifacts, and special guest Howie Mandel weighs in on a ghostly encounter. Later, a cave-dwelling demon is vanquished by a supernatural street fighter.

#### 8 p.m. on FOOD Restaurant: Impossible

Host Robert Irvine travels to Abilene, Texas, where George and Taylor, the co-owners of Texas Cowboy BBQ, are feeling desperate. Things are not going well for the couple, whose eatery and marriage are both on the rocks after a serious downturn in business. Taylor wants to be a bigger part of the restaurant, but George is closed off and reluctant to accept help from anyone. Robert quickly sees he'll have to correct that underlying attitude before he can turn their business fortunes around.

#### 10 p.m. on FOOD Me or the Menu

This new docuseries follows four restaurateurs who are striving to beat the odds both in terms of personal relationships and the unforgiving restaurant business. Roughly 60 percent of restaurants fail, and half of all marriages end in divorce. The featured restaurateurs in this series are risking it all by opening a restaurant with their significant other. Among them: Kathleen Murray, a home cook turned food truck owner; Randi Lee, an industry veteran opening his first restaurant with his fiancée; and self-taught cook Nicole Baldwin, who's planning a vegetarian eatery.
