## Zak Bagans

### 6 p.m. on TRAV Ghost Adventures

In a new episode with the creepy title "Trapped With the Dead," Zak Bagans, Nick Groff and Aaron Goodwin investigate a hotbed of paranormal activity at a Wild Westera hotel in New Mexico. Later, the crew then travels to Los Angeles to visit a former military base that was the site of an alleged extraterrestrial invasion.

### 8 p.m. on MAX Movie: Land

Actress Robin Wright ("House of Cards") made her feature directorial debut in this moving, character-driven 2021 drama, in which she also takes the lead role of Edee Holzer, a middle-aged woman left shattered by an unspeakable tragedy. Retreating to an isolated cabin in the wilderness of Wyoming, Edee begins her long healing process, which includes multiple physical challenges, a near-death experience and an unexpected friendship with a local hunter (Demián Bichir) who helps her reconnect with life. Kim Dickens and Warren Christie also star.

#### 8 p.m. on SHOW Movie: Braveheart

Director and star Mel Gibson preceded James Cameron ("Titanic") as king of the Oscars with his five-statuette sweep for this 1995 drama. In addition to the coveted best picture and best director trophies, it also won awards for makeup, sound-effects editing and cinematography. Gibson plays 13th-century Scottish warrior William Wallace, who rallies his countrymen against the British monarch Edward I (Patrick McGoohan).

### 9 p.m. on CW Dynasty

Fallon and Blake (Elizabeth Gillies, Grant Show) come up with a scheme to defeat his brother Ben (guest star Brett Tucker), but Cristal (Daniela Alonso) strongly advises them against it in the new episode "My Family, My Blood." Elsewhere, Dominique (Michael Michele) does all she can to stay out of this latest family drama, although Ben seems determined to drag her into it. Meanwhile, Adam (Sam Underwood) keeps pressuring Alexis (Elaine Hendrix) to let him on her TV shopping show so he can promote his latest medical discovery.
