YOUR BIRTHDAY by Stella Wilder

Born today, you are destined to be known far and wide as someone with great integrity and tenacity, and who wants nothing but the best -- both for yourself and for others as well. Like all true Cancer natives, you are concerned with your own development and well-being, and you will rarely put anyone else before you on your daily list of concerns. It's important to others, however, that they be second, third, fourth and so on -- because it means you're going to do all you can for them, once you've tended to your own business.

MONDAY, JULY 4
CANCER (June 21-July 22) -- You may be reading the signs all wrong today -- but there will be time to undo any damage this might cause. Let another take charge for a while.

LEO (July 23-Aug. 22) -- Safety is a prime concern today, but you can't ensure that everyone will escape danger without discuss-

ing key matters openly and honestly.

VIRGO (Aug. 23-Sept. 22) -- The contentment you seek will be available to you only after you acknowledge what everyone around you already knows. Get with the program!

LIBRA (Sept. 23-Oct. 22) -- You don't want to put others off today simply by putting your considerable knowledge on display. Avoid showing off; let others speak.

SCORPIO (Oct. 23-Nov. 21) -- The social scene is likely to prove both frustrating and satisfying, in turns. Remember, you don't have to accept every invitation.

SAGITTARIUS (Nov. 22-Dec. 21) -- You can work far more efficiently today than you have in the past, but it won't happen by accident. You must make a concerted effort.

CAPRICORN (Dec. 22-Jan. 19) -- Take care today that you don't become overly concerned with money matters. You have a solid plan in motion, and you must await the results.

AQUARIUS (Jan. 20-Feb. 18) -- Whether a habit is good or bad will be determined by factors out of your control today -- and you may have confused one for another recently.

PISCES (Feb. 19-March 20) -- You may not know it, but you've reduced your margin for error almost to a dangerous point. It's a good time to refine your methods if you can.

ARIES (March 21-April 19) -- Those around you may overreact to what happens today, but you understand that this is only the beginning. The big moment comes later.

TAURUS (April 20-May 20) -- Someone may be working against you for reasons that you can't quite fathom, but your natural responses enable you to avoid any real threat.

GEMINI (May 21-June 20) -- You must be willing to adjust your schedule to accommodate the unexpected needs of someone who you thought was just along for the ride.

MONDAY, JULY 4, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you are an expert communicator, but that doesn't mean that everyone always knows who you are. This seeming paradox is possible because you always promote ideas and information rather than yourself, and, in fact, you usually have the opinion that you are far less interesting as an individual than you are as a conduit along which information itself may travel from source to destination

TUESDAY, JULY 5
CANCER (June 21-July 22) -- You can lead the proverbial horse to water with no great effort today, but what sets you apart is your knack for getting him to drink.

LEO (July 23-Aug. 22) -- The choices before you today are likely to require you to adopt an unusual manner of looking at things in order to see all possible outcomes.

VIRGO (Aug. 23-Sept. 22) -- You'll be

guided by one who is also trusting someone to lead the way -- so instead of following one behind the other, why not travel together?

LIBRA (Sept. 23-Oct. 22) -- One or two of your talents will be on display today, whether or not you like it, so adopting a positive mindset will benefit everyone.

SCORPIO (Oct. 23-Nov. 21) -- Something you're after may remain just out of reach today, but you can be doubly motivated by this rather than frustrated. Keep at it.

SAGITTARIUS (Nov. 22-Dec. 21) -- You cannot afford to wander about aimlessly today; make a plan, have a goal and work to achieve something concrete and rewarding.

CAPRICORN (Dec. 22-Jan. 19) -- Something you cannot avoid can be turned into an asset before the day is out -- and you may be the only one to have figured this out.

AQUARIUS (Jan. 20-Feb. 18) -- That which has been elusive in the past is likely to be yours today -- and it may well remain in

your possession for quite some time.

PISCES (Feb. 19-March 20) -- You will certainly receive a great many "style points" today, but more than that, you will also win the trust of someone who needs a partner.

ARIES (March 21-April 19) -- You mustn't waste your time or energy on that which others have deemed of little value. Go your own way; pursue what is important to you.

TAURUS (April 20-May 20) -- Clean, solid, professional work is what is expected of you today, and you can deliver -- provided you've completed the necessary preparatory tasks.

GEMINI (May 21-June 20) -- You're certainly not going to read anyone's mind today, so if you want or need clarification on anything, you must be sure to ask for it.
