HOROSCOPES by Stella Wilder

WEDNESDAY, JULY 13, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are known for the tremendous care you devote to those who are close to you and your ability to make them feel as though they are the most important people in the world. You can be rather shy, even standoffish, when you are among strangers, and you have a tendency to compare yourself unfavorably to those you admire -- without any real reason. You are thoughtful and always careful to express yourself in a way that reflects your innermost feelings.

THURSDAY, JULY 14
CANCER (June 21-July 22) -- It's nothing to go back to the beginning and retrace your steps to ensure that nothing is out of place -- but the small effort yields a big reward.

LEO (July 23-Aug. 22) -- What begins as a tense negotiation is likely to result in a surprising new alliance today. You can both achieve much together.

LIBRA (Sept. 23-Oct. 22) -- You are seeing things very much the way someone else is seeing them, and the minor differences between you can make your dealings spicy.

SCORPIO (Oct. 23-Nov. 21) -- You don't have to have all the right answers today, but you certainly need to know where to go for them -- and that's no problem at all today.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may sense that someone is more involved in your own affairs than you had thought, but action on your part may not be effective.

CAPRICORN (Dec. 22-Jan. 19) -- If you spend too much time deciding what is "appropriate" today, you're not likely to get much done. You'll just have to go for it -- soon!

AQUARIUS (Jan. 20-Feb. 18) -- A change of scenery needn't prove a distraction today. Indeed, it may actually inspire you to buckle down and get things done faster.

PISCES (Feb. 19-March 20) -- Are you getting involved in something more deeply than you had intended? If so, you have only to speak up and be clear to extricate yourself.

ARIES (March 21-April 19) -- Doing something that was once routine may actually require some daring on your part at this time. Other changes have a more subtle impact.

TAURUS (April 20-May 20) -- What you get done today will matter mostly to you, but others will appreciate your ability to prioritize -- and some may be copying your style.

GEMINI (May 21-June 20) -- An opportunity arises today that may require you to face one of your lifelong fears head-on. You can certainly do it if you think you're ready.
