HOROSCOPES by Stella Wilder

TUESDAY, JULY 12, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you have been endowed with a good deal of physical ability, grace being the one that, above all others, will be noticed again and again by those who interact with you. Indeed, there is something beautiful about the way you move. The simplest thing, from taking a simple step to waving to a friend, takes on a kind of poetic quality that has a tendency to enthrall. You are a good conversationalist.

WEDNESDAY, JULY 13
CANCER (June 21-July 22) -- You are likely to find a little extra time today that you can fill with a project that only you consider timely, useful and enjoyable.

LEO (July 23-Aug. 22) -- Questions are going to be asked and answered all day long, and you'll want to be sure that you are on the side of those getting the whole story.

VIRGO (Aug. 23-Sept. 22) -- You'll dis-

cover an unusual new way to pass the time today -- but it's not something you're going to want to share with others just yet.

LIBRA (Sept. 23-Oct. 22) -- You receive what seems very much like a threat at some point today, but your response is almost certain to halt anyone's bad intentions.

SCORPIO (Oct. 23-Nov. 21) -- You have been searching high and low for the right person to do a certain tricky job, and you may realize today that you're the only choice.

SAGITTARIUS (Nov. 22-Dec. 21) -- What you've been trying to tell others for quite some time is likely to hit home today -- finally. Now you can make progress together.

CAPRICORN (Dec. 22-Jan. 19) -- You are surrounded by all manner of things that can come in handy for you as you try a little of this and a little of that all day long.

AQUARIUS (Jan. 20-Feb. 18) -- The information you pass to another may not be as useful as you had hoped -- but when it's your

turn once more, you can do what has to be done.

PISCES (Feb. 19-March 20) -- You can reveal a little more about yourself today without giving up too much private information -- but someone is eager to know more.

ARIES (March 21-April 19) -- If it's intrigue you want, you should be more than satisfied today. Take care that you don't start something someone else wants to finish.

TAURUS (April 20-May 20) -- You'll be able to offer a shining example of your particular expertise today -- but someone you know may doubt you've come by it legitimately.

GEMINI (May 21-June 20) -- It may be up to you today to be the first to admit defeat, if only to get others to acknowledge their own errors. You'll be back on track soon.
