HOROSCOPES by Stella Wilder

SUNDAY, JULY 17, 2022
YOUR BIRTHDAY by Stella Wilder
 Born today, you are an open, even-tempered individual who knows how to exert a calming influence over others, and the more trouble there is, the more likely you will find yourself at the center of things, easing tensions and inspiring those involved to seek solutions to their problems and replace differences with similarities. You are a figure of fun among those who do not share with you a belief in the magic of a smile and a kind word.
MONDAY, JULY 18
CANCER (June 21-July 22) -- You'll have reason to let others know precisely why you are doing what you're doing -- except in one instance that you should keep private.
LEO (July 23-Aug. 22) -- Someone may react to you in a manner that betrays a misunderstanding of your true motives. It may be time to explain yourself at last.
VIRGO (Aug. 23-Sept. 22) -- You may recently have sabotaged your own efforts, but today you'll have the chance to correct any errors and ease someone's misgivings.
LIBRA (Sept. 23-Oct. 22) -- It's a good day to collaborate with someone who brings an entirely fresh perspective to something you've been doing for a long time.
SCORPIO (Oct. 23-Nov. 21) -- Your schedule may seem daunting before you get started today, but once you hit your stride, you'll be able to check all your boxes.
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll find yourself caught up in a whirlwind of activity that may demand of you more than you are currently willing to give. Get out!
CAPRICORN (Dec. 22-Jan. 19) -- Don't think for a moment that the small things won't make a big difference. This is especially true when it comes to careless mistakes.
AQUARIUS (Jan. 20-Feb. 18) -- The dark and the light may collide in your consciousness today, sparking emotional turmoil that you do not fully understand until nightfall.
PISCES (Feb. 19-March 20) -- You encounter something that can be interpreted in one of two ways -- and you know which way is most favorable. This must be promoted.
ARIES (March 21-April 19) -- You're facing a situation that will put you to the test in more ways than one -- if you're not able to adopt a superior position right away.
TAURUS (April 20-May 20) -- Others are likely to gravitate toward you all day long, but not for the reason you think. A certain mystery is solved after hours.
GEMINI (May 21-June 20) -- You may not be able to focus exclusively on only one responsibility today, much as you'd like to -- but the attention you give it can surely pay off.

YOUR BIRTHDAY by Stella Wilder
 Born today, you have been endowed with amazing patience, so much so that you seem able to wait for anything at any time, for as long as it takes, without showing even an ounce of impatience. Of course, that's on the outside. On the inside, you sometimes gnaw at yourself until you make yourself sick waiting for something that you think is overdue -- but only a very few people know this about you, and you get away with seeming calm, collected and composed even under the most excruciating of circumstances.
TUESDAY, JULY 19
CANCER (June 21-July 22) -- You're eager to be remembered for something you do today, and that is assured -- if you do it in the right way and at the right time.
LEO (July 23-Aug. 22) -- The endeavor you spend most time and energy on today may not be the one that pays off most handsomely for you. You'll be surprised by what is.
VIRGO (Aug. 23-Sept. 22) -- What worked for you yesterday can work for you again today -- but is that enough of a streak to depend on? Have a plan B ready to go.
LIBRA (Sept. 23-Oct. 22) -- You may be required to do something today that is anything but natural for you, but if you start slow and build steam, you can be successful.
SCORPIO (Oct. 23-Nov. 21) -- Routine activities aren't likely to thrill you today, but they can furnish you with what you really need if you commit to them wholeheartedly.
SAGITTARIUS (Nov. 22-Dec. 21) -- You are likely to do something almost entirely by accident today and score a surprising success in doing so -- but can you repeat it?
CAPRICORN (Dec. 22-Jan. 19) -- Your creative energy makes you someone to reckon with today; those who want to compete with you head-on had better be prepared.
AQUARIUS (Jan. 20-Feb. 18) -- You may have to go through a period of uncertainty today before you are squarely on your feet and ready to enact a new policy.
PISCES (Feb. 19-March 20) -- Your own sensibilities may work against you today until you realize it's time to step up your efforts. Do so and you can win!
ARIES (March 21-April 19) -- Avoid lashing out at any of your friends today. If you're able to assess matters quickly and accurately, you'll avoid any sudden reactions.
TAURUS (April 20-May 20) -- Use your imagination today and you'll be able to put yourself in someone else's position in time to provide help that is genuine.
GEMINI (May 21-June 20) -- It's time to speak out against something you've been putting up with for quite some time. Choosing just the right words gets the job done.
