HOROSCOPES by Stella Wilder

TUESDAY, JULY 19, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are primarily a visual person, the kind who takes in the majority of information through the eyes and processes not in a linear or verbal fashion, but in an ever-changing kaleidoscopic pastiche of colors, shapes, forms, light, shadow and also specific, detailed images that you can immediately identify. It is quite likely that you are a lucid dreamer, able to shape your dreams as you sleep because you know you're dreaming -- and you enjoy it.
WEDNESDAY, JULY 20
CANCER (June 21-July 21) -- All physical evidence is pointing you in a certain direction today, but your instincts are telling you otherwise. Listen to yourself!
LEO (July 23-Aug. 22) -- Your desires will lead you down an interesting path today, but you may not want to follow it as far as it can go -- for obvious reasons.

VIRGO (Aug. 23-Sept. 22) -- You may find yourself in the hot seat today, but some quick thinking enables you to answer all questions satisfactorily and free yourself.
LIBRA (Sept. 23-Oct. 22) -- You're in the mood to engage in some exploration -- and whether literal or figurative, the journey may reveal some surprising things.
SCORPIO (Oct. 23-Nov. 21) -- You are far more likely to derive inspiration from the home environment than you are from anyone at work -- though co-workers are on your side.
SAGITTARIUS (Nov. 22-Dec. 21) -- Not everything is as it seems, but that only adds to the fun today. You can give a rival something quite dramatic to react to.
CAPRICORN (Dec. 22-Jan. 19) -- You may have trouble keeping everything straight in your mind today, so why not keep a written record? You want to be fully accountable.
AQUARIUS (Jan. 20-Feb. 18) -- Any attempt to skirt the issue at hand will only

bring you face to face with someone with whom you do not want to have a run-in right now.
PISCES (Feb. 19-March 20) -- There's a big difference between something that does go well and something that doesn't go as planned. Which are you responsible for today?
ARIES (March 21-April 19) -- You may understand both sides of an issue, but you won't get far trying to argue both. You must be willing to ally with one or the other.
TAURUS (April 20-May 20) -- Others may not understand what's going on right now, but if they look your way, you should be able to guide them to the truth. Don't hesitate.
GEMINI (May 21-June 20) -- What you see isn't likely to be what you get today, but you should be able to adjust quite easily and make a success of an average opportunity.
