HOROSCOPES *by Stella Wilder*

FRIDAY, JULY 22, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you are always careful to keep things in balance, whether it is part of the external world or your own internal self, and in this way you are able to avoid overreacting to the unexpected when it comes your way. You do things in a highly personal manner; you like to get close to things -- touch them, smell them, listen to them, and if possible, taste them. You harbor a not-so-secret love of all things culinary, and you are quick to learn lessons and put them to good use in your daily life.

SATURDAY, JULY 23
LEO (July 23-Aug. 22) -- You cannot expect to get through the day without taking a few knocks, but you are perfectly capable of giving as good as you get, to be sure!

VIRGO (Aug. 23-Sept. 22) -- You must gain just a little more ground today before you can say you've reached the goal you set for yourself some time ago. You can do it!

LIBRA (Sept. 23-Oct. 22) -- Experience should serve you well today as you experiment with something that is in some ways over your head. You'll learn very quickly.

SCORPIO (Oct. 23-Nov. 21) -- A positive attitude does more for you today than any attempt to outsmart the competition. An opportunity beckons -- and you're ready.

SAGITTARIUS (Nov. 22-Dec. 21) -- You must be sure that your priorities are in order today as you set out to climb one more hill. All must be ready when you come back down.

CAPRICORN (Dec. 22-Jan. 19) -- Someone may be trying to deceive you today, but they're not likely to succeed so long as you remember you've been here before.

AQUARIUS (Jan. 20-Feb. 18) -- Practice makes perfect today -- or nearly so. Once you have the confidence to go it alone, you'll have many more important decisions to make.

PISCES (Feb. 19-March 20) -- The damage done by someone who wasn't paying attention can be undone only by you, and only if your timing is just right. Trust yourself!

ARIES (March 21-April 19) -- You are likely to come very close to making a dream come true today, but someone stands between you and your goal. Consider negotiating.

TAURUS (April 20-May 20) -- It's time at long last to try something you swore you never would -- but remember, it's all in fun and there's no chance of serious harm.

GEMINI (May 21-June 20) -- You may find yourself once again doing the very thing you gave up only a little while ago. There is certainly nothing sinister going on.

CANCER (June 21-July 22) -- You may have to have another try or two at something for which you thought you were ready. Is the fact that you're being watched a factor?
