HOROSCOPES by Stella Wilder

THURSDAY, JULY 28, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you are someone to reckon with. Though you seem at times to be retiring and modest, the fact is that you are perfectly capable of holding your own, and more, in situations that demand moral and emotional strength, physical fortitude and tenacity, and mental acuity. You're not one to let another deceive you; you are quick to assess another's motives and methods and can answer in a manner that is completely disarming.

FRIDAY, JULY 29
LEO (July 23-Aug. 22) -- Things may seem to be going against you, but you're not about to give up. In fact, today is a great day for upping the ante in some way.

VIRGO (Aug. 23-Sept. 22) -- A combination of readiness and patience works wonders for you at this time. A little luck added to the mix means you can have a memorable day.

LIBRA (Sept. 23-Oct. 22) -- The more complimentary you are to someone you admire, the more likely you will be to benefit from direct contact. It's time to get in touch.

SCORPIO (Oct. 23-Nov. 21) -- Focus on what plays out in front of you today and pay less attention to what's behind you -- at least until you devise a strategy to implement.

SAGITTARIUS (Nov. 22-Dec. 21) -- The pull you feel from someone who has been after you for some time may prevent you from giving a certain issue the attention it deserves.

CAPRICORN (Dec. 22-Jan. 19) -- It's not a good day to be indecisive or to dawdle; you must be confident, direct and proactive in your overall approach.

AQUARIUS (Jan. 20-Feb. 18) -- If you can't rely on power, you can surely rely on strategy -- and today is a good day to put a new and controversial strategy into action.

PISCES (Feb. 19-March 20) -- You're expecting assistance today that may not be available to you when you most need it -- but it's never too late to make use of it.

ARIES (March 21-April 19) -- You've developed a routine that enables you to overcome your fears quite effectively -- especially during morning and evening hours.

TAURUS (April 20-May 20) -- You may have some difficulty being as definitive as someone wishes you would be, but you see more sides to an issue than anyone else.

GEMINI (May 21-June 20) -- You may find that strategy and tactics combine most effectively today, but be ready to try something new as soon as that effectiveness wanes.

CANCER (June 21-July 22) -- You have more than one option available to you today that gives you a little bit of wiggle room in a situation that continues to test you.
