HOROSCOPES by Stella Wilder

THURSDAY, AUGUST 4, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those rare individuals driven by a genuine desire to present yourself to the world as an example of what a human being can be. Though not everyone born on this date will pursue the same personal or career goals, all will make a life of developing themselves as fully as possible. This means, of course, that your life will be one of continual discovery -- for you must surely discover something about yourself before you are able to develop it.

FRIDAY, AUGUST 5
LEO (July 23-Aug. 22) -- The company of others will please you today, as long as things go your way. You must take care that you don't lose control of the narrative.

VIRGO (Aug. 23-Sept. 22) -- The path you are on may lead you to a surprising spot today -- but this isn't your final destination, surely. Stock up on all resources.

LIBRA (Sept. 23-Oct. 22) -- Your talents may shine very brightly today and still not lead you where you most want to go. You may soon require the guidance of an expert.

SCORPIO (Oct. 23-Nov. 21) -- Take care that you're not simply showboating today when doing the things you think will get you somewhere. You may soon be facing a deadline.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may not be seeing things in quite the same optimistic way that you are used to, but a friend lifts your spirits at just the right time.

CAPRICORN (Dec. 22-Jan. 19) -- Your work is likely to get mixed reviews today, but that will say more about what you've done in the past than anything new. Don't complain!

AQUARIUS (Jan. 20-Feb. 18) -- You'll be hoping for the best today, even as those around you are expecting quite the opposite. Your attitude makes all the difference.

PISCES (Feb. 19-March 20) -- Your satisfaction isn't likely to come from anything you accomplish today, but rather from interactions with others. Your eyes are open.

ARIES (March 21-April 19) -- Take the time to prepare fully today for what you are expecting to come your way tomorrow so you'll be ready even for the unexpected.

TAURUS (April 20-May 20) -- What someone does rubs you the wrong way today, but rather than advertise your displeasure, you had best to ask yourself what's going on!

GEMINI (May 21-June 20) -- Things may take on a strange sort of overtone today that you will want to study carefully -- but on your own. A trend begins now.

CANCER (June 21-July 22) -- You'll certainly not be able to be in two places at once today, but you can fulfill your responsibilities to different bosses.
