HOROSCOPES by Stella Wilder

SATURDAY, AUGUST 6, 2022

YOUR BIRTHDAY by Stella Wilder
Born today, you are a powerful individual with the ability to affect others merely by your presence, and no one knows how to walk into a room quite the way you do. Indeed, you make such a strong first impression that there are those who insist they know you well even though they've never encountered you a second time, and your ability to capture the attention of others is unmatched among those born under your sign.
SUNDAY, AUGUST 7
LEO (July 23-Aug. 22) -- While others rearrange their schedules to accommodate yours, you must be sure that what you are doing is as efficient and progressive as possible.
VIRGO (Aug. 23-Sept. 22) -- The first few steps may be the hardest to take today -- but once you get moving, you'll be able to steer clear of anything that can slow you down.

LIBRA (Sept. 23-Oct. 22) -- It's important to get the rest you need, but where will you find the time? You must be willing to say "no" today to one or two propositions.
SCORPIO (Oct. 23-Nov. 21) -- Financial issues are at the fore, and you ignore them at your peril today. You must be willing to take a few difficult steps at this time.
SAGITTARIUS (Nov. 22-Dec. 21) -- You must be willing to maneuver freely today when the unexpected comes your way. Someone you know will clarify some ground rules for you.
CAPRICORN (Dec. 22-Jan. 19) -- Your unique position allows you to be involved only up to a point, after which you'll be able to remove yourself from a tricky situation.
AQUARIUS (Jan. 20-Feb. 18) -- Now is no time for games -- though you can certainly enjoy the games you have before you. Your choice of a temporary partner causes a stir.
PISCES (Feb. 19-March 20) -- You receive numerous messages today that seem promising, but only one or two later in the day give you the information you really need.
ARIES (March 21-April 19) -- You receive an unusual reaction from one who is usually perfectly aligned with your motives and methods. A subtle change may be required.
TAURUS (April 20-May 20) -- The pace may be slower than usual today, but that doesn't mean you can ease up in any sense. Indeed, you may have to work harder than usual.
GEMINI (May 21-June 20) -- While others may not understand what you are truly after, today you can narrow your focus and prepare yourself for one final push.
CANCER (June 21-July 21) -- You'll enjoy the chance to catch up with a friend who has been out of the picture for a while -- but don't let yourself be taken advantage of.
