tonight's best

Raisa Kuddus and Austin Coleman

8 p.m. on FX
Movie: Avengers: Infinity War

If you ever wanted a superhero movie with everything and everyone, this is it. While the Avengers have continued to protect the world from threats too large for any one hero to handle, a new danger has emerged from the cosmic shadows: Thanos. A tyrant of intergalactic infamy, he needs to collect all six infinity stones and use them to inflict his will on all of reality in this 2018 Marvel classic. Stars include Robert Downey Jr., Chris Hemsworth, Mark Ruffalo, Chris Evans, Scarlett Johansson and the rest of the Marvel universe.

8 p.m. on HALL
Movie: Marry Me in Yosemite

Zoe (Cindy Busby) is a well-known photojournalist who has published popular coffee table books featuring her images of iconic places. Her publisher wants her next subject to be Yosemite, so she heads West unsure she can do justice to the majesty of the landscape made legendary by photographer Ansel Adams. But once there, she meets Jack (Tyler Harlow), an intriguing tour guide who opens her eyes to new romantic possibilities in this 2022 romance.

10 p.m. on SUND
Movie: El Dorado

John Wayne again joined forces with director Howard Hawks ("Rio Bravo") for this 1967 Western, which also stars Robert Mitchum and holds true to many traditions of the genre. A gunslinger (Wayne) teams with a drunken sheriff (Mitchum) against an enemy (Edward Asner) who has some young guns on his side. The supporting cast reunites Johnny Crawford and Paul Fix, who co-starred on the classic TV series "The Rifleman."

10:01 p.m. on HGTV
First Home Fix

Is there anything better than a new series premiering on HGTV? Raisa Kuddus is an artist/designer who uses her love of color, design history and nature to create one-of-a-kind spaces. Austin Coleman is a builder and woodworker who is passionate about incorporating unique custom pieces into each of his projects. Together they help two pairs of homeowners with \$50,000 budgets revamp their lackluster first homes using sweat equity, clever design decisions and their boundless creativity.
